

On behalf of the Stone Ridge Sharks, welcome to the 2026 summer swim season!!

Pool Address:

41995 Greenstone Drive
Aldie, VA 20105 (or Stone Ridge, VA)

Parking:

Parking is available in Parking Lot A. Once Lot A reaches capacity, please use the Byrne's Ridge lot (located across the street) or park along Greenstone Drive. Please note that Parking Lot B is reserved for spectator tents.

Deck Set-up:

Visiting swimmers may set up under and around the pergola immediately to the left after entering through the swimmer entrance gate.

Spectator viewing space is limited. A small amount of seating is available behind the spectator viewing area on a first-come, first-served basis. Our HOA does not allow folding chairs on deck so most spectators choose to set up in the Spectator Tent area and cycle through to see events. Please be courteous and rotate through the viewing area seating so that all families have an opportunity to watch their swimmers.

Meet Schedule:

4:30: - 4:45 PM: Visiting Team Swimmer/Volunteer arrival

4:30: - 4:55: Stone Ridge Warm-up

4:55: - 5:20: Visiting Team Warm-up

5:00: Timers and Officials Meeting near Baby Pool

5:30: National Anthem followed immediately by Event 1

The meet will begin with the playing of the National Anthem at 5:30 PM and is expected to conclude by 9:00 PM.

All Timers and Stroke & Turn Officials should report to the baby pool by 5:00 PM for a briefing and assignments. ***The Stone Ridge pool has eight lanes; therefore, please provide 12 timers for the meet.***

Throughout the meet, the Meet Coordinator may combine events or heats when appropriate to help keep the meet running efficiently. At this time, no swimmers have requested accommodations that would require modifications to the traditional start procedure. If your team has a swimmer who requires accommodations, please notify us prior to the meet so that appropriate arrangements can be made.

Due to limited deck space, we ask that parents and spectators not stand in the staging area behind the timers. This area must remain clear for meet personnel and swimmers preparing to compete.

Clerks of Course

As soon as the visiting team's warm ups conclude, please have your first swimmers lined up and ready to go. Stone Ridge will provide a Clerk of Course and Head Clerk of Course to assist with seating swimmers; however, we ask that the visiting team also provide clerks to help organize and seat swimmers.

Our goal is to have all 8-and-under swimmers seated and ready before the meet begins, helping to ensure a smooth and efficient start to the competition.

Concessions:

Concessions is located at the Spectator Entrance. We serve an assortment of food from the grill as well as candy, snacks, and cold drinks.

Clean Up:

Prior to the end of the meet, parents and swimmers departing, please police your area and clean up any trash prior to leaving. We would greatly appreciate this.
