Principal Readout

1. Off site evacuation drill possibly this week or early November
 - This starts off like a fire drill, then we determine if we need to move to another location - due to gas leak, etc.
 - Students are brought down the back car entrance onto McElwaine to Jackson Terrace to Broadway and cross at the traffic light to the Freehold High School auditorium
 - We do not use our driveway so that it stays open for any emergency vehicles that need to get to the school
2. Halloween parade - will be on Halloween outside at 10:15a, if it rains the parade will be held inside - no parents
 - Trying to confirm parking at the Masonic Lodge, they did allow us to use the lot for the trunk or treat, we need to go through insurance so a letter is going home before the Halloween parade
3. Conferences are coming up in November
 - November 13th and 14th will have evening time slots and the 15th will have afternoon time slots - **these days are half days for students!**

PTO Readout

1. Fundraising/Events

- Trunk or Treat was a great success! We spent weeks planning this event; our trunks included the fire department, police department, council members, teachers, the girl scouts, families and our own superintendent, Asia Michaels. Thank you to everyone to the volunteers that helped with set up, clean up, and working the event, as well to everyone that donated food, drinks, and candy for those who ran out
- Route 9 cards are still available!
 - \$20 per card, that has over 100 businesses
- Fall catalog finished this past week, thank you to everyone for participating! It will take about 2-3 weeks to get the orders in and we will have them dispersed before Thanksgiving
- Churro sale forms were sent home last week and the sale ends on 10/25 - get those last minute orders in! They're only \$2 each and the money raised goes back to the school

2. Memberships/Social Media
