Missionary Formation Training

WHY FORGE? WHY NOW?

The FORGE Missionary Training experience will provide a catalyzing space for you to grow in intimacy with Jesus and imitate his ways, becoming a more faithful and fruitful disciplemaker. This 7 month training will help you grow as a disciple, everyday missionary, and leader within your contexts and community, thus being a transformative experience which the Spirit will use to make you more like Jesus through loving up in worship, loving in to community, and loving out on mission.
