Updates on Atwood reconstruction: Public meeting at Olbrich Feb 27 5:30-7:30 (Evjue Commons)
<https://www.cityofmadison.com/engineering/projects/atwood-avenue>

"Work on Atwood Avenue is scheduled to begin during the week of February 20, 2023. It is expected that this project will take approximately 9 months to complete. WisDOT, City of Madison, City of Monona, and the Contractor will host a public informational meeting from 5:30 to 7:30 PM on Monday, February 27, 2023 at Olbrich Gardens in the Evjue Commons located at 3330 Atwood Avenue, Madison. The open house format meeting will provide information on the upcoming improvements, construction schedule, and expected street closures/detours in 2023. This is an opportunity to ask questions and learn more about the construction of Atwood Avenue. No formal presentation will be given."

From Max Jacobson: 700 Cottage Grove Road Development Proposal for a 4 story self-storage project:

"We had hoped to hit the February 13, 2023 application date; however, we are still working through some details on our project plan and as such our official applications described below will be submitted to the city on February 27, 2023. We will keep you updated if this changes.

We are excited to share the plan with you once it is closer to a final version; in the meantime, please do not hesitate to reach out if you have any questions"

Treasurer's Report 2/21/2023	
General fund	\$14,739.37
Save the Park Ash Trees	\$2,318.63
Total checking account	\$16,371.55
PayPal account - general	\$0.00

Board Officers: Emily Mixon, President Brian Juchems, Vice President Dan Zimmerman, Treasurer		Board Members: Breanna Illéné Micah Kloppenburg Kris Whitman Jennica Skoug	Alternates: Patrick Soukup Kathy Soukup
PayPal account (ash trees)	\$0.00		
Accounts Overdue/due	\$0.00		
Checks not Cashed (Liability)	\$0.00		
Prepaid ads	\$1,490.83		
Balance	\$14,880.72		
Paid to Tree Health Management on 10/7/2021 for treatment of 33 ash trees in the neighborhood (including \$1,086.19 from ECA general fund)		\$6,670.24	
01/15/2023 Proposal from Tree Health Management		\$7,945.31	
currently donated		\$2,318.63	
Left to raise		\$5,626.68	
<div>1. Woodman's approved having a quarter-page ad for 2023 (they declined to have an ad during 2022 due to the significant increase in our ad rates).</div> <div>2. I transferred the funds (\$983.08) from PayPal into our checking account during February.</div> <div>3. While I haven't sent out invoices yet for the 2023 ads, Woodman's and Monona Bank already paid for their ads. Monona Bank, which now is Lake Ridge Bank, issued a check of \$1,500, which was \$319.46 over the amount owed for the 2023 ads; they approved use of the excess funds to go towards the treatment of our ash trees.</div> <div>4. The ad rates for 2023 were established to be 87% of the 2022 rates; the assumption was that if all our advertisers continued with the same size ad that we would have \$9,620.53 in revenue, which would leave \$425.50 to account for any increases in the cost of printing and mailing of the newsletter. We lost some advertisers (e.g., Rock Mechanical no longer is in business), we gained some advertisers (e.g., Woodman's), and some advertisers increased the size of their ads (e.g., Java Cat's ad will be a half-page). Assuming that the VFW continues to have their ad as a quarter-page (they may increase the size to a half-page), our advertising revenue will be \$9,905.56.</div> <div>5. The above table shows a proposal for treatment of the 33 ash trees in Olbrich, Eastmorland, and O.B. Sherry parks; the proposal was issued on 1/15/2023 and includes a 10% discount. I spoke with a staff</div>			

Board Officers: Emily Mixon, President Brian Juchems, Vice President Dan Zimmerman, Treasurer	Board Members: Breanna Illéné Micah Kloppenburg Kris Whitman Jennica Skoug	Alternates: Patrick Soukup Kathy Soukup
member of Tree Health Management who said that the proposal is likely to be good for 2023. Efforts to raise funds need to begin in earnest this year.
