

Playing card Badges - \$30

Special features:

- double sided
- card sized
- mimics the design of a traditional playing card
- heavy on detail

Important notes:

- character is white like a traditional playing card and will not be colored
- traditional only
- require a wait as these take a while to do
- back is one (dark) color with white designs

If you are interested in a playing card badge, please email me with the info below

- character reference
- name of character
- symbol to appear under the letter and in the corner (can be a symbol of the traditional suites or one of your choosing)
- character expression
- color preferences (will default to colors of character)
- character interests to be featured in the back design.
