

MAY 2022 BAND AWARDS

After a couple of tough years, the gym came alive with music May 26, 2022 for our first concert in way too long. The following awards were presented to students to ruckus applause!

Students vote for their peers for the following awards:

Rookie of the Year

First time in band or on a particular instrument, someone who loves to play and is dedicated to their musicianship.

Most Improved Player (MIP)

The musician who has improved the most during the school year.

Outstanding Music Achievement (OMA)

The strongest, most consistent musician in the ensemble who also inspired others by example.

Music Leadership Award

The Music Leadership Award is one that is given solely at the music director's discretion. She looks for the student who contributes positively toward the ensemble environment, musical achievement and has an inspiring effect on those around them through their actions, words, and positive example. This award is not given every year, only in the years that there is a stand-out student.
