Done with your final? Code a Dance Party!

Great stress reliever while you code with some great musicians!

Scan this QR code or go to

code.org/dance

The Force is with you.

So try some coding during non-final blocks!

code.org/starwars

Or scan this QR code with your chromebook!

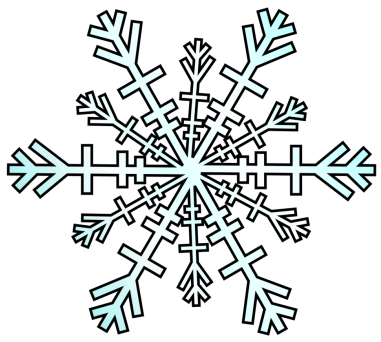

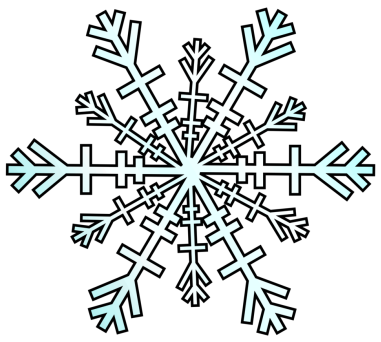

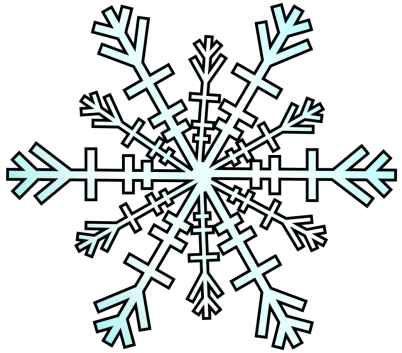

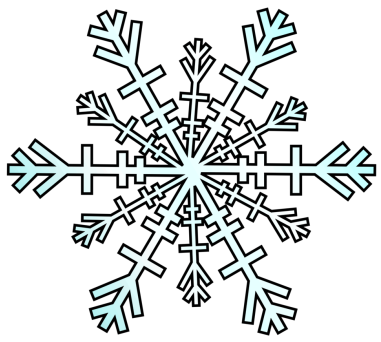

Check out how to code your own basketball game and other sports as well!

code.org/athletes

	Frozen.	Party.	Ball.
Coding Activity Complete the coding activity at the website shown.	Code Elsa to create a snowflake **code.org/frozen**	Code a Dance party **code.org/party**	Learn how to code a video game **code.org/athletes**
Application Activity Visit the stations and see how coding has real-world ties.	Design a 3D snowflake ornament to print **tinkercad.com**	Make your own beats **bit.ly/HOCmakebeats**	Code the Sphero to move through the snow-covered maze. **edu.sphero.com**

STEPS for SnowCode Snowcones

1. TRY at least one activity from each column.
2. When you complete an activity, get a stamp from Mrs. McGrath or Mrs. Reno.
3. Collect 3 stamps for a snowcone!

Let's "SnowCode" for a Frozen. Party. Ball.

*Complete one activity from each column for a **SnowCode Snowcone!** Have your ticket stamped when you complete an activity!*
