

6TH PRIMARY
unit 1 school routines

I am reading my diary, you know, my name is Carol !!! I have to write something twice a week. Today I have to get up at half past seven and after I have breakfast with my dad and my sister, my mother has to start working at eight and me and my sister have to walk to school, it is only 10 minutes walking. We have to cross a road, but there is a police officer.

Today I have to do a Language exam at the first hour, at ten o'clock we have to go to the computer room to do a group project for Science and at the third hour we have to play an escape room game in PE.

After the break I have to plant seeds for the school orchard, and we have to water the tomatoes and the beans.

Before going home we have to tidy the class, and we have to take the rubbish to the container; then we have to line up in the corridor and finally the teacher has to take us to the exit door.

In the dining room we have to talk softly and we don't have to stand up. When we finish our meal one person has to clean the table, every day a different person.
