Statement of Responsibility

I understand that I am responsible for maintaining this instrument, case and any accessories (including paying for the replacement of strings & rosin as needed), and to ensure that they are returned in the same condition in which they were received. I understand that I am responsible for any damages that exceed normal use or for theft/loss of this instrument while in my child's possession. Should there be damage to or loss of the instrument, I agree to contact and return the instrument as soon as possible to an instructor in the District 108 String Program. I will not attempt, or allow anyone else, to make repairs. **I understand that the school district or the string program staff reserves the right to ask that the instrument be returned if at any time they feel that the instrument is not being properly cared for or if the student does not attend lessons and rehearsals on a regular basis. If a student drops from the program, the instrument must be returned immediately.**

District instruments must be returned immediately following the Spring Concert!

I have read and understand the terms of this contract.
