

MGG doubles – 900 points

When: 25/7/26

Cost: \$30

The day will be you and a mate battling it out against another duo across the table.

Missions will be randomly rolled on the day – no Veto

Each player has 450 points. No sharing.

Each player can use ANY army list they choose.

Should your army not have the same **army** keywords in it. You cannot share any rules.

However, should your army share keywords, you will retain your army bonus.

Account name: MGG

ACC: 169140760

BSB: 484-799

Here are some examples.

- Jay plays 450pts host of the witch king, Danny plays 450 points shadows of angmar. These armies share keyword Angmar, therefore they will retain their individual special rules. However, Jay's army bonus will not affect Danny's models and vice versa.
- Danny plays Burdthur's hoarde, and Jay plays Usurpers of edoras. No keyword sharing and both players lose their special rules bonus. They are playing the models and the rules found on their respective dataslates.
