Office of the Dean of Instruction

I.7.3 group/individual term papers;

The Bachelor of Science in Exercise and Sports Science (BSESS) program at Bataan Peninsula State University (BPSU) Orani Campus integrates group and individual term papers as a key component of its assessment strategy. This approach aligns with the program's emphasis on experiential and life-wide learning, as outlined in the Commission on Higher Education Memorandum Order (CMO) No. 81, series of 2017.

Group term papers foster collaboration, leadership, and communication skills among students. These projects often involve community-based initiatives, allowing students to apply theoretical knowledge to real-world scenarios. For instance, students may work together on projects that promote health and wellness in local communities, reflecting the program's commitment to community engagement and practical learning experiences.

Individual term papers, on the other hand, encourage students to delve deeply into specific topics within exercise and sports science. This individual work cultivates critical thinking, research proficiency, and subject matter expertise, preparing students for specialized roles in the fitness and sports industry.

By incorporating both group and individual term papers, the BSESS program at BPSU Orani Campus ensures a comprehensive educational experience. This dual approach not only enhances academic learning but also equips students with the practical skills necessary for their future careers in exercise and sports science.

BPSU-ORANI CAMPUS | DEAN

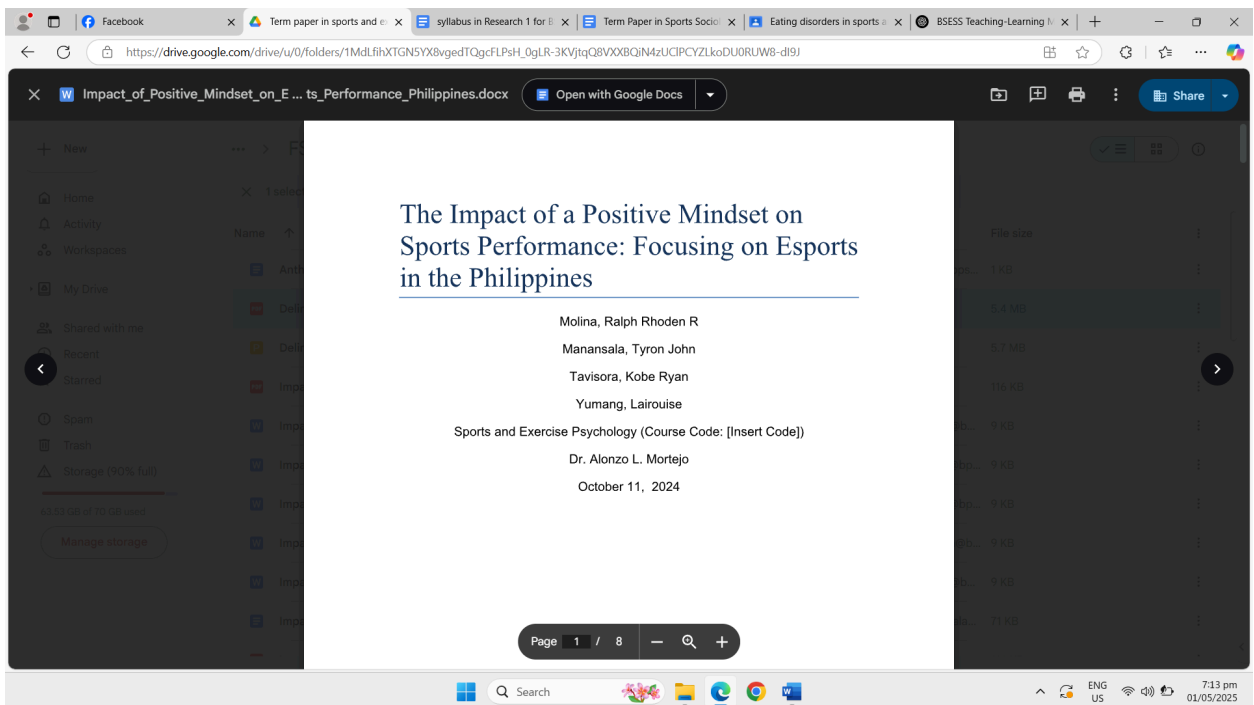

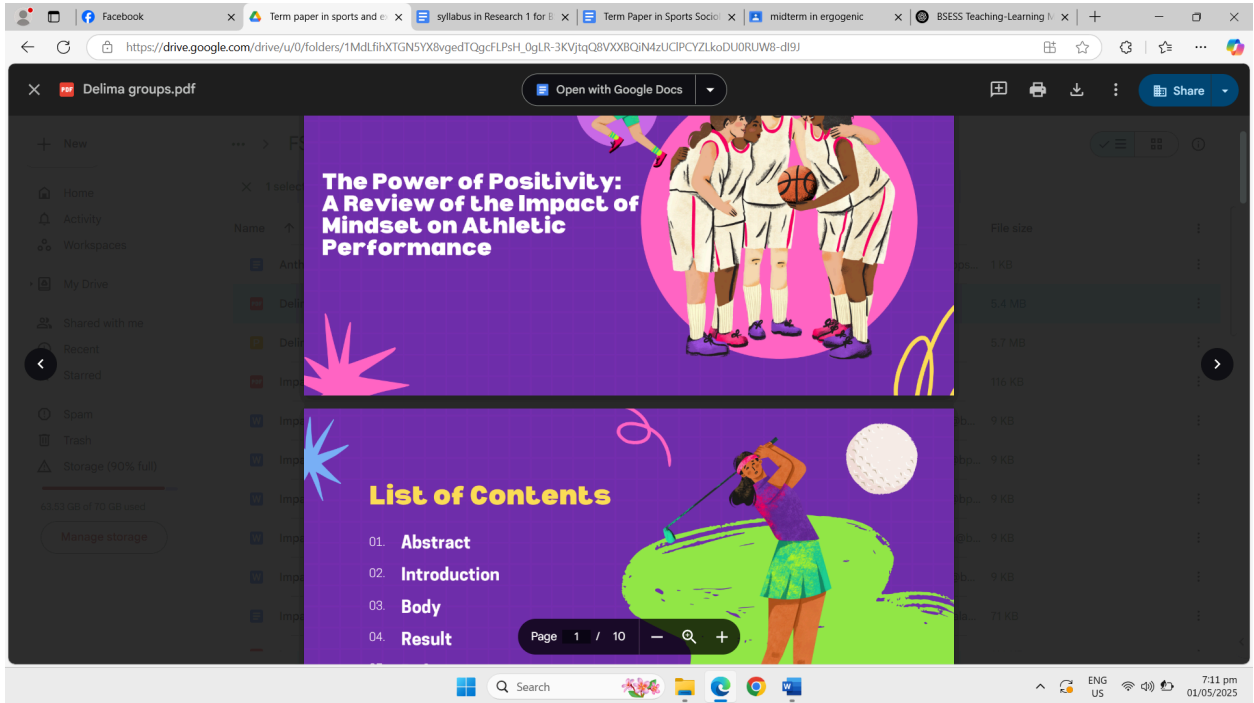

Bayan, Orani, Bataan 2112 PH
Email: dean_oc@bpsu.edu.ph

Vision: An inclusive and sustainable University recognized for its global academic excellence by 2030.

Mission: To develop innovative leaders and empowered communities by delivering transformative instruction, research, extension, and production through Change Drivers and responsive policies.
