Provide evidence to answer each of the following concepts/questions. Evidence should include specific examples. Maps, tables, quotations, and graphics (photos and cartoons) are all acceptable evidence. A good rule of thumb is to provide at least three pieces of evidence for each.

Be 100% certain that each of your responses has a high quality thesis statement/paragraph.

Be 100% certain to include highlighted key vocabulary terms in your answers.

Be 100% certain to include your analysis as to how your graphics support your answer to the question.

Key Questions:

1- Explain the steps that led to the long-term commitment of the U.S. in major overseas military commitments, including NATO and the Korean War.

2 - How did expanding military power and the Cold War affect American society and ideas.

3- How have economic and population changes impacted the U.S. since World War II?
