

Park Maitland School

# Kirk Hardisty

## Math Teacher

---

**This will be my 17th year as an educator and my first at Park Maitland as the 4th grade Math teacher. I graduated from American University in Washington, DC with a degree in International Marketing and Business Administration. After nearly five years working in Public Affairs, I followed my dream of becoming a teacher and haven't looked back. I am certified in several areas, including Math, PE, Social Studies, and ESE. I also love to coach and will hopefully be able to work with some of Park Maitland's basketball, soccer and flag football teams.**

---

---

**I look forward to meeting many new people and becoming a part of the Park Maitland family.**
