

FNP590 Health Promotions - Introduction to 3Ps and Clinical Courses

Lecture Date and Time: Video link below that was previously recorded

*Please note our FNP immersions are now held one day virtually (which will be announced, typically the Thursday prior to your immersion weekend) and in person on our AZ campus on Friday, Saturday and Sunday. Please watch for updates on the Nursing Caring Corner, dates will be posted as we approach upcoming immersions.

YouTube: <https://youtu.be/3Lq7mw2SThU>

Resources We will Discuss During 3P Lecture:

- 1) FNP Clinical Experience Powerpoint: Located in NCC → OFE → FNP Clinical Experience Preparation
<https://classroom.usuniversity.edu/d2l/le/content/23737/Home>
- 2) FNP590: Introduction to Clinical Requirements [LINK](#)
- 3) FNP Clinical Handbook:

For questions that might come up after watching the video:

- If the question is about the remediation or required scores, please reach out to Dr. O at seun.ogunjimi@usuniversity.edu
- For program questions please read the FNP clinical handbook (linked above) and reach out to your academic advisor. If they cannot answer, they will get in touch with the appropriate faculty member
- For questions about immersion please review our Nursing Caring Corner as we keep that information up to date. Otherwise, reach out to immersion@usuniversity.edu
