

# Privacy Policy for Area Calculator Mobile Application

Last updated: [29.01.2024]

Welcome to Area Calculator, a mobile application developed by toluenedev ("we", "us", or "our"). This Privacy Policy is designed to help you understand how we collect, use, and safeguard your information when you use our mobile application.

## 1. Information We Do Not Collect

Area Calculator is designed to respect your privacy, and we do not collect any personally identifiable information from you. We do not ask for, access, or store any personal data, such as your name, email address, or location.

## 2. Geometric Data Calculation

The primary purpose of the Area Calculator application is to assist users in calculating the areas of geometric shapes. The application operates solely on the device, and all calculations are performed locally without any transmission of data to external servers. No data related to the geometric shapes you input into the application is stored or shared.

## 3. Device Permissions

Area Calculator may require access to certain device permissions to perform its core functionality, such as accessing the camera for scanning shapes or accessing local storage to save and retrieve shape data. These permissions are solely used for the intended purpose of the application and are not used to collect or transmit any user data.

## 4. No Analytics or Tracking

Our application does not use any analytics tools or tracking mechanisms to monitor user behavior or gather usage statistics. We respect your privacy, and our focus is solely on providing a useful tool for geometric calculations.

## 5. Changes to this Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. It is your responsibility to review this Privacy Policy periodically for any changes. We will notify users of any material changes through a notice within the application or via other means.

## 6. Contact Us

If you have any questions, concerns, or feedback regarding this Privacy Policy or our application, please contact us at [toluenedev@gmail.com](mailto:toluenedev@gmail.com)

By using the Area Calculator mobile application, you agree to the terms outlined in this Privacy Policy.
