

2026 Revere Athletic Hall of Fame

Induction Ceremony: 8/21/26

Social in the RHS cafeteria starting at 5:30 pm; Induction on field at 6:40 pm

Presented by the Revere Athletic Department, the Revere Alumni Association (RAA), and the Revere All-Sports Booster Club (RASBC)

The Revere High School Athletic Hall of Fame was created in 2014 to honor Revere High School graduates, coaches, and special contributors who have distinguished themselves athletically at Revere and beyond. Nominations are submitted to the Athletic HOF Selection Committee through the end of April for consideration of induction in the fall (at an early home football game).

The Revere Athletic Hall of Fame will recognize and honor outstanding achievements of teams, individuals, coaches, and contributors who have helped create and carry on an excellent athletic tradition at Revere. The other intent of this award is for our inductees to serve as models and motivation for our current and future athletes.

[**Athletic Hall of Fame Nomination Form**](#): Always looking for deserving former athletes/coaches/teams to be nominated for consideration.

[**Athletic Hall of Fame Guidelines**](#): General guidelines to consider when nominating prospective inductees.

Conor Head ('18)—Football and Track & Field

Conor Head, a 2018 graduate, was a standout two-sport athlete for the Minutemen. He was a four-time letterwinner in Track and Field, where he excelled in the shot put, earning 2018 Field Athlete of the Year and receiving District and League honors in 2017 and 2018. He is currently the school record holder with a shot put of 54'6". In football, he was a four-year letterwinner as a starter on the OL and DL. He received all-league and all-district honors, all-state honors in 2015, 2016, and 2017, while earning First-Team All-State in 2018 and being selected to the Ohio North/South All-Star Game. He went on to play at the University of Toledo on a D-1 scholarship before an injury ended his playing career. He served as a student assistant during his final years of college and later stayed on as an assistant coach for the offensive line and recruiting assistant for the Toledo Rockets, under the direction of head Coach Jason Candle.

Current Occupation: Executive Accounts Manager, Fortis Sports

Current Residence: Cleveland, Ohio

Hobbies/Interests: weightlifting, cooking, traveling, spending time with my girlfriend and family.

What do you miss most about RHS? I miss the people. I miss the friendships, the laughter, the team spirit, and the feeling of being part of something bigger than myself. I miss the football field on Friday nights, the excitement and energy of game day, and the pride of putting on that Revere uniform. I miss the track meets—the preparation, the nerves before a meet, encouraging each other on, and celebrating every personal best and team accomplishment. Most of all, I miss being surrounded by teammates and coaches who pushed me to work harder, believe in myself, and never give up.

Advice to current Revere Athletes: Listen to your coaches, respect your teachers, appreciate your parents and families, and never take for granted the people who support you along the way. They are making sacrifices so you can have opportunities to chase your dreams. Most importantly, be proud of who you are becoming—not just for what you accomplish on the field, but for the person you become because of the journey. And remember, athletic careers eventually come to an end, but the lessons you learn through sports stay with you for the rest of your life.

Personal Notes: I would also like to take a moment to thank God, my parents, my family, teammates, teachers, and coaches, Coach Mike Murphey, Coach Wade Vantrease, and Coach Terry Cistone, who have supported me throughout my journey. Your encouragement, guidance, and belief in me helped shape not only the athlete I became, but also the person I am today. I am truly honored and humbled to be nominated for the Athletic Hall of Fame. To have the opportunity to be recognized alongside so many outstanding athletes is something I will always be grateful for. This honor is not something I accept alone. It represents the many people who believed in me, encouraged me, challenged me, and helped me along the way. For that, I will always be thankful.

Rachel (Kraus) Criss ('02)—Basketball and Softball

Rachel (Kraus) Criss, a 2002 RHS graduate, excelled at Basketball and Softball for Revere. In basketball, she was a three-time letter winner and two-time All-Suburban League selection. She was a four-time Suburban League Scholar Athlete selection as well as a 2002 all-district selection. In softball, Rachel was a four-year starter while earning All-Suburban League and Suburban League Scholar Athlete each of her four years. She was also selected to the all-district team for two years. She went on to play at the University of Akron, where she played four years as a middle infielder, was named NFCA All-American Scholar Athlete as a freshman, was a captain her senior year, and received Akron Softball's Set Six Award.

Current Occupation: Elementary Ministry Director at Perdido Bay Methodist Church

Current Residence: Pensacola, FL

Family: Husband Jarrod Criss (15-years married); Jacob (13), Brooklynn (11), Peyton (9), Matthew (7), Zachary (4)

Hobbies/Interests: Running/working out; writing; coaching and/or cheering my kids on as they too grow to love sports; watching them discover who they are and what brings them joy and guiding them as they deepen their relationship with Christ.

What do you miss most about RHS? I always felt I had the best teachers and coaches who never let me settle for less than my best and challenged me to see the leader, athlete, teammate, and student I was capable of being.

Advice to current Revere Athletes: Treasure the small moments—the bus rides, the locker rooms, the team meals. Those memories will often last beyond the moments that take place on the field or the court. ALWAYS shake the referee or umpire’s hand after a game. NEVER stop studying the game—at some point, the only thing that will separate you from an opponent is your knowledge/mental approach of your sport.

Personal Notes: Thank you to my HS English teacher and friend, Leslie Fouser, for nominating me, and more importantly, for never failing to see my potential in all things. To my parents and siblings - thanks for enduring all the years of me kicking soccer balls, dribbling basketballs, and throwing baseballs all over the house. Thanks for giving up family meals, weekends, vacations (and sometimes your own interests) for all the practices, workouts, tournaments, and travel it took to make my dream of being a college athlete come true. And to my teammates and coaches, thanks for working hard, having fun, and loving the game alongside me. There’s nothing quite like the love of sport, and it was an honor to share those years with each of you.

Philip “PJ” Angelo (‘00)—Football, Basketball, & Baseball

Philip “PJ” Angelo, a 2000 RHS graduate, was a standout three-sport athlete for the Minutemen, earning 10 varsity letters. In basketball, Angelo was a three-year letter winner. He served as team captain his junior and senior years while tallying over 100 points and 30 assists during his last two years. In football, he earned three letters as a starting quarterback and helped lead the team to a Suburban League title and playoffs in 1998. He was named First-Team All-Suburban League his junior and senior years while passing for over 2,575 yards in his career with a 57% completion rating. He ranks in the Top 5 in program history for passing yards, passer rating, touchdowns, completions, and completion percentage. In baseball, he was a four-year starter, earning team MVP and All-Suburban League honors his sophomore, junior, and senior years. He scored 93 runs and finished his career with a .386 batting average. He is in the Top 5 for most offensive statistical school records (hits, singles, doubles, RBIs, Walks, and Stolen Bases).

Current Occupation: Investment Banking for Huntington Capital Markets

Current Residence: Akron, Ohio

Family: Laura Santoferraro-Angelo (11-years married); Son Carmen (9) and Daughter Camille (8)

Hobbies/Interests: Traveling; coaching kids’ sports

What do you miss most about RHS? The camaraderie of athletic teams and coaches

Advice to current Revere Athletes: Appreciate your time at Revere—You will never play with this group of teammates again.

Personal Notes: I am honored to be inducted into the Revere Athletic Hall of Fame. Revere, both athletically and academically, shaped me into the person I am today.

To the coaches who invested in me—Coaches Joe Pappano, Jeff Dallas, Terry Cistone, John Cistone, Doug Snyder, Jeff Gibson, and numerous others—thank you for pushing me, teaching me, and expecting the best from me. You taught me discipline, toughness, and commitment.

To my teammates—You made the journey unforgettable. I will always cherish the bond and camaraderie of each team. While I can't name everyone, I need to acknowledge Jon Congeni, who was my teammate for all three sports. From the time we were five years old, we competed in everything—sports, video games, etc. The rivalry (and friendship) pushed me to become better every single day.

To my Iradale neighborhood (Snyders, Keelers, Harrison, and Faists) for the countless backyard battles and the many bruises that often accompanied them.

To my wife, Laura, and our children, Carmen and Camille—thank you for your love, support, and the joy you bring into my life. You are my greatest motivation and my proudest accomplishment.

Last but certainly not least, to my parents, sisters, and grandparents. Beyond never missing a game, you loved and encouraged me through all of my endeavors, and your unwavering support created the foundation and confidence that allowed me to succeed.

Being inducted into the Revere Hall of Fame is an honor I will carry with me forever, and this recognition reflects the countless people who helped me along the way.

Kathryn (Seitzinger) Miller ('99)—Basketball

Kathryn (Seitzinger) Miller, a 1999 RHS graduate, was a standout on the basketball court for the Minutemen, where she was a four-year starter. She was a team MVP and All-Suburban League selection her sophomore, junior, and senior years and two-time Plain Dealer Player of the Week (junior and senior years). She finished her career with 1,120 career points (average 22.6 a game her senior year) and 1,014 career rebounds (15.1 per game senior year). Kathryn's senior year, the Lady Minutemen were victorious in a 97-81 game against Brecksville (at that time, the school record for highest points in a game), where Kathryn scored 40 points and had 22 rebounds. Her proudest achievement was working with her coach for many years to achieve an 83% free-throw average her senior year.

Current Occupation: Associate Director of Media at Knox Marketing

Current Residence: Akron, Ohio (Bath Township)

Family: Marc Miller (married 15-years); Daughters Fiona (12) and Natalie (10)

Hobbies/Interests: Baking with family, candle making with my daughters, spending time with family and friends, volunteering at the school, traveling with my family.

What do you miss most about RHS? The chance to be a kid in a wonderful community; feeling supported by so many people.

Advice to current Revere Athletes: Enjoy the experience. Build meaningful relationships with your teammates, stay humble, and be your team's biggest cheerleader. Encourage and mentor the younger players, support one another, and lead by example both on and off the court.

Personal Notes: I want to thank my family—my mom, my dad, my sister Lori, and my brother Jeff—who were my biggest cheerleaders during my time playing basketball at Revere High School. Always knowing I had the support in the crowd meant so much. I want to thank all of my coaches throughout the years who believed in me and took time to help me improve. Paulette Colantone, Kathy Harris, and Gary Gough were my first varsity coaches and put a lot of faith in me. Marty Cingle and Doug Guilda, who supported me during my final two years.

A very special thank you goes to Gary Gough. As my coach throughout all four years of high school, he dedicated countless hours to helping me improve. He was determined to make me the best free-throw shooter I could be, and was the reason I ended my senior year with a strong average. More importantly, he was always there for encouragement, advice, and comfort—and that meant so much to me.

I also want to thank the upperclassmen who welcomed me as a freshman. They went out of their way to mentor me and to encourage me. That kindness has stayed with me and is something I will never forget. Thank you to my husband, Marc (my hype man), and our two daughters, Fiona and Natalie. Sharing this honor with them means the world to me. I love you all so much.

To my entire family, thank you for always being so supportive and cheering me on throughout every stage of life. And to my Mom especially, who has always been a momma bear: I always knew she had my back in any scenario.

Today, as the parent of two Minutemen, I find so much joy watching my daughters become involved in school activities. It has given me an even greater appreciation for the coaches, parents, and volunteers who devote so much of their time to creating meaningful experiences for our children, especially in their early years of Revere athletics. It also allows me to impart to them the same lessons that stuck with me: to be humble, be positive, cheer on your teammates, support one another, work hard, hustle, listen to your coaches, honor your commitments, mentor, be kind, and most of all, have fun.

Thank you, Revere! The experience I had as a student and as an athlete brought me back to the community. It is an honor to now raise our daughters here with my husband, Marc, and to watch them create memories of their own in the same place that shaped so many of mine.

Kyle Mraz ('96)—Basketball

Kyle Mraz, a 1996 RHS graduate, was a standout athlete for the Minutemen. In football, he was the kicker on the 1995 football team, which qualified for the playoffs. In basketball, Mraz was a 3-year starter and earned First-Team All-Suburban League his junior and senior years. His senior year, he averaged 23 points, scored 47 points in one game (including 11 of 15 from three), and was named honorable mention all-state. He went on to play at Cedarville University, where he scored 426 career points.

Current Occupation: Certified Financial Planner and has been in the insurance and financial services industry with COUNTRY Financial for 25 years, where he currently serves as District Leader for the Metro Atlanta sales team.

Current Residence: Just moved from Centennial, CO to Suwanee, GA.

Family: Wife Danielle (Married 22 years); Daughters Monroe (19), who attends University of Missouri, and Lennex (16), who is a junior in high school

Hobbies/Interests: Family adventures – sports, concerts, hiking, traveling, or just a game/movie night with the family ... and an occasional round of golf.

What do you miss most about RHS?: Living and laughing with my amazing group of friends...so grateful for those relationships.

Advice to current Revere Athletes: Stay humble, lean on each other, and challenge yourself to make small improvements each day...and always maintain an attitude of gratitude no matter what challenges life throws at you.

Personal Notes: My time at Revere was so impactful in shaping who I am today, and there are so many people who contributed to that, and so many thanks to go around for the love and support I felt. First, my teammates and friends...you all were the reason I loved to compete in sports...you made it fun and challenging. I'll never forget the incredible relationships we built from our time together at Revere. Thank you to all my coaches who never let me settle, who challenged me to be a better leader, and for the time they invested in making me a better player and person. Special shout-out to my youth pastor, John Saucier, who opened my eyes to a God-serving path and a higher purpose than the short-term success I was experiencing with high school athletics. I appreciate your friendship and mentorship throughout the years! Thank you to my parents, Jeff and Sharon, for always supporting my never-ending sports agenda. You constantly demonstrated so much love and support to give me the opportunity to do what I loved most. Thank you so much for leading by example, and I have learned so much from you on how to be the best parent I can be to my two daughters. My late grandfather, Sam Serves...thank you for all the time practicing together (and for all the game footage you recorded)...no matter how busy you were, you always made time to shoot hoops with me (some of my greatest memories)...I would never have been the player I was without your passion to make me better...you always made it fun and found ways to motivate me. Thank you to my younger brother, Chad...although we had a 5-year age gap, you never backed down from competing with the “big boys” – I appreciate the memories we’ve created through all the sports we shared together...you were an amazing companion, and I am so proud of you and greatly appreciate how sports gave us a common childhood passion. Finally, my beautiful family...my wife of 22 years, Danielle, and daughters Monroe and Lennex – I love you all so much and am so grateful for all the memories we’ve created together. You all mean so much to me, and I am so blessed with such a loving, supportive family...you all give me purpose and motivation to always be the best teammate I can be for you.

Dave Jones—Coach (Track & Field)

Dave Jones was a proud graduate of Springfield High School, where his love of track first took root. Following graduation, he continued his athletic career at Hiram College.

For Dave, coaching was never just about winning meets. His greatest joy came from getting to know the remarkable young women he coached and watching them grow—not only as athletes, but as confident, successful people. While championships were meaningful, the relationships he built were what mattered most.

One of the greatest blessings of his coaching career was sharing it with his best friend and brother-in-law, John Fuller, and his dear friend, Phil Mogus. Together, they built a program rooted in hard work, laughter, loyalty, and genuine care for their athletes. Even after their coaching days at Revere had ended, Dave and John remained an important part of many of their athletes' lives. The depth of those relationships was never more evident than in February 2026, when former athletes traveled from near and far to attend Dave's funeral—a lasting testament to the profound impact he had on generations of young women.

Dave dedicated his career to Revere High School, where he worked until his retirement in 2003. Whether in the hallways or on the athletic fields, he enjoyed connecting with students and colleagues, always ready with a smile, a story, or a well-timed joke. In addition to serving as a coach of the girls' track program, he also coached girls' tennis for several seasons. In 1990, he was proud to be part of the Summit County Coaching Staff of the Year.

Above all else, Dave's greatest accomplishment was his family. He cherished his wife of 50 years, Barb, his daughters, Julie and Jen, and the three grandchildren who brought him endless pride and joy: Joseph, Jensen, and Julia. They were, without question, the lights of his life.

Julie and Jen would like to express their sincere gratitude to the Revere High School Athletic Hall of Fame Committee for this incredible honor. Dave would have been deeply humbled to receive this recognition. More than any award or accolade, he would have been grateful to be remembered for the lives he touched, the friendships he made, and the privilege of being a part of the Revere community.

2010 Men's Soccer Team

The 2010 Men's Soccer Team: The team finished 20-3 and lost to Dayton Carroll 3-2 in the state championship game. Their journey to the championship went through Triway (9-0), Highland (4-3), St. V-M (1-0), Elyria Catholic (2-0), Shawnee (1-0), and Walsh Jesuit (2-1). The team had 13 shutouts led by goalkeeper Brandon Holvey and the "Red Bandits." Nick Gallo, who had 11 goals, was named First-Team All-State. Dylan Coleman scored 19 goals and six assists.

2011 Men's Soccer Team

The 2011 Men's Soccer Team: The Suburban League Champs finished 18-1-4, with the only loss a 3-0 defeat in the state championship game to Dayton Carroll. The journey to the championship went through Norton (1-0), Hoban (1-0), St. V-M (3-0), Lakeview (2-0), Marlinton (2-1), and Lexington (5-1). The Minutemen shut out 10 opponents and held a 51-18 scoring advantage. Colin Romisher, who had 23 goals, was named First-Team All-State and the D-II Player of the Year. Max Palazzo was named Second-Team All-State.
