Employment

Pair Discussion Topics

1. If you are using iMentor's Post-secondary Programs list, which employment programs interest you?
2. Will you continue working at an existing job or look for new work?
3. How does your existing or intended job connect to your long-term career goal?
4. What type of jobs will move you along your career path?
5. What support do you need to make this plan a reality?

Make a timeline with your mentor to ensure you can get a job after high school. Reach out to your Program Manager with questions.
