Wetherby & District U3A

History Group

Group name	History
Maximum group size	8
Current group size	8
Description	Every couple of months we choose a broad historical theme to explore, each of us researching our individual interests under this heading and sharing our findings with the group over the course of two meetings. Some themes we have tackled so far are Inventions, Georgian England, and Means of Transport. Our discussions are rich, varied and entertaining. We all learn a lot and have a good time in the process.
