Welcome to our new Pet Care Club! All animals' lovers can come and gain the knowledge of pet caring because caring for a pet is not easy for beginners or veterans as it takes time to learn the skills. We share these tips to help you alone better with your pet.

We have grooming lessons to teach you how to use the tools to groom your pets using the right way! For example, the rubber slickers and pin brushes which sound the same, but as a matter of fact, they are quite different! We will tell you when and how to use each of them.

Regularly clean is necessary for your pet. Learn to clean their ears, teeth and trim the claws. If you learn carefully, you can avoid to hurting them.

Bathing can keep pets clean, but sometimes they don't cooperate. We will share the tips how get your pets to love a bath.

We will also talk about how to take care of older animals, as well as what to do when you go on holidays.

Professional pet trainers can help your pets to learn a few tricks. And you can also learn the skills of pet photography from pet photographers! You and your pets can all take part in these activities. And your pet will be happy to go for walkies at that time or play with toys.
