Incentives: Students that complete each level of the pass off line get that color zip tie to attach to their instrument case. A great way to show off to friends and family how well you are doing in the band! We will also have a star chart for everyone to keep track of their progress on these lines. This is 100% self paced, and a fun way for students to get practice at completing their practice goals!

In class playing tests in small groups marked with a star
