

Outside the Box: Creative Tutoring Winter/Spring Class Schedule 2023

Drama

Movie Magic (Ages 11-15)

16 sessions, 2 hours each, \$300

Does your child dream of being a movie star? Do they have creative energy seeping out of their pores? With our class, Movie Magic, students will be given the opportunity to create their own movie. Students will work in groups of 4-6 to write one or more screenplays. They will also have the opportunity to produce independent projects. They will then film, direct, act in, and produce their movies using iMovie software. Student films will be showcased at a private viewing party for family and friends. All families will take home a DVD copy of their movies.

Most sessions will be held at the [Wyoming Library](#), but the location may vary depending on shooting sites for scenes we are working on. Parents will either provide transportation or sign a permission slip to allow the teacher to transport students in her minivan when filming takes place offsite.

A \$100 deposit will be required upon registration to hold your spot in the class. The remaining \$200 will be due at the first session.

Section 1 (Ages 11-15): Mondays, 9:45 AM-11:45 AM, January 9th-May 15th excluding January 16, February 20, and April 3
