

Welcome students,

Thank you for joining virtual tutoring this semester!

If you do not currently have Zoom, please download it by clicking on this link:

<https://zoom.us/download>

You will be paired up with one or more tutors. Your tutors will contact you with the information provided in your application. Please be on the lookout for any text messages or emails from our tutors!

Your first meeting will be an introductory meeting where your tutor will introduce themselves and get to know a little bit about you. If you are a child, you will do a diagnostic assessment so we can place you into a learning level. This level may change later if your tutor(s) believe that the level is not suited for you.

To stay in contact with us, please join this Whatsapp group if you haven't already:

If you do not have Whatsapp, that is okay because we will be sending out the same messages to your emails so be sure to check your email frequently. Here is the link to join the email list if you haven't already.
