

We thank you for your efforts to help with the release of ALL hostages who have been brutally taken into Gaza by the terrorist organization, Hamas.

Here are some quick ways to act now. Thank you to the National Council of Jewish Women for this info:

Take Action, NOW.

- [Bipartisan resolution supporting Israel by House Foreign Affairs Committee \(HFAC\)](#)
- [Urge Elected Leaders to Stand With Israel and push for the safe release of all hostages](#)
- [Tell the Senate to Immediately Confirm a US Ambassador to Israel](#)

Here are other actionable items:

- 1. Contact your Senator and call them ... click [here](#) to find your Senator. Their offices pick up their phones and will record your message. (You can also email them, too!)**
- 2. Please use this wording below:**

We want the Senate and Congress to support this legislation and to push for the safe release of Americans and all hostages through advocacy and world pressure.

- 3. Give the name of the person you know that is being held hostage (ex: [I am sharing](#) Hersch Goldberg Polin's name with you, who is a US/Israeli citizen.)**

4. Share any important information that you know - social media links, info of where they were, how they were hurt, etc. (see below for information)

URGENT:

**U.S. Citizen taken hostage to Gaza in dire medical need.
(Updated Wed Oct 11, 8am IST)**

Hersh Goldberg-Polin was violently abducted from the Nova Music Festival in Southern Israel on October 7 by Gazan terrorists.

He is in need of urgent medical attention.

Hersh Goldberg-Polin was among the thousands of young people attacked by Gazan terrorists at the Nova Music Festival near Kibbutz Reim in Southern Israel.

Eyewitness accounts confirm that Hersh was taken hostage along with a few others around 9:00 am Saturday morning by the armed terrorists, after losing his left arm in a grenade attack. He and the other hostages were forced onto a pick-up truck and believed to be taken from Israel into Gaza. He is in need of urgent medical attention.

Hersh moved to Jerusalem at age 7 with his parents, Jon Polin and Rachel Goldberg, and his two sisters, Leebie and Orly. He is an avid soccer fan – championing the Hapoel Jerusalem team, loves to travel and attend music festivals.

Hersh travels to the US annually to visit his grandparents and family. His parents, both Chicago natives, instilled in him a love of American sports and culture. He was able to recite every US president by the age of seven.

Hersh last messaged his parents “I love you,” “I’m sorry,” at 8:11 Saturday morning October 7, 2023.

We are hopeful that he is alive and can be located. We just want our son/brother/friend returned home safely like all of those taken hostage to Gaza.
