*Can be sung to the tune of "London Bridges Falling Down."

Autumn leaves are falling down, falling down, falling down.
Autumn leaves are falling down. We should find them!

Some are yellow some are red, some are orange, some are brown.
Some are yellow some are red. We should rake them.

Rake them in a great big pile, great big pile, great big pile.
Rake them in a great big pile. We should jump in!

Jump in and hear them crunch, hear them crunch, hear them crunch.
Jump in and hear them crunch. We should throw them!

Pick them up and throw them high, throw them high, throw them high.
Pick them up and throw them high. We should catch them.

Catch a leaf as it floats down, it floats down, it floats down.
Catch a leaf as it floats down. We should keep it.

Keep the leaf and make a craft, make a craft, make a craft.
Keep the leaf and make a craft. It looks like a butterfly! We should hang it.

Autumn leaves are falling down, falling down, falling down.
Autumn leaves are falling down. We should find them!
