PLEASE READ THESE TERMS CAREFULLY BEFORE USING THIS WEBSITE. BY ACCESSING OR USING THIS SITE, YOU AGREE TO BE BOUND BY THESE TERMS. IF YOU DO NOT AGREE, PLEASE DO NOT USE THIS SITE.

1. About Us

This website is operated by Assured Clinical Research Limited (“ACR,” “we,” “us,” or “our”), a clinical research organisation with sites in the United Kingdom.

2. Acceptance of Terms

By accessing or using the ACR website at <https://assuredclinical.com/> (the “Site”), you confirm that you are at least 18 years of age, that you have read and understood these Terms and Conditions (“Terms”), and that you agree to be legally bound by them.

These Terms apply to all visitors, users, and others who access or use the Site, including those who submit enquiry forms, express interest in clinical trial participation, or submit professional information.

We reserve the right to update these Terms at any time. Continued use of the Site after any changes constitutes acceptance of the revised Terms. The “Last Updated” date at the top of this page will reflect the date of the most recent revision.

3. Permitted Use of the Site

3.1 Permitted Activities

You may use the Site to:

- Submit an enquiry or expression of interest in participating in a clinical research study.

- Use the Site for any unlawful purpose or in violation of any applicable laws or regulations.
- Submit false, misleading, or fraudulent information through any form on the Site.
- Attempt to gain unauthorised access to any part of the Site or its underlying systems.

4. Forms, Enquiries, and Information Submissions

4.1 Clinical Trial Interest Forms

Submitting an interest or eligibility enquiry through the Site does not constitute enrolment in a clinical trial, a medical consultation, or any form of clinical assessment. It is a preliminary step that allows ACR to assess whether a study may be appropriate for you.

Formal enrolment in any clinical trial requires a separate, in-person process including a full eligibility screening and execution of a written Informed Consent Form (ICF) with a qualified investigator. No binding agreement relating to clinical trial participation arises from a submission made through this Site.

4.2 Professional and CV Submissions

By submitting your CV, qualifications, or professional information through the Site, you confirm that the information provided is accurate and complete, and you grant ACR permission to review and retain that information for the purposes of evaluating potential research or professional relationships.

4.3 Accuracy of Information

You are responsible for ensuring that any information you submit through the Site is accurate, current, and not misleading. ACR accepts no liability for decisions made in reliance on inaccurate information submitted by users.

5. No Medical Advice

The content on this Site is provided for general informational purposes only and does not constitute medical advice, diagnosis, or treatment. Nothing on the Site should be relied upon as a substitute for professional medical advice from a qualified healthcare provider.

If you have questions about your health or medical conditions, you should consult a qualified medical professional. In the event of a medical emergency, contact the emergency services immediately.

Participation in a clinical trial carries inherent risks. Any risks associated with a specific study will be explained to you in full during the informed consent process, which takes place before any study procedures are undertaken.

6. Intellectual Property

All content on the Site, including but not limited to text, graphics, logos, images, icons, and the overall design and layout, is the property of Assured Clinical Research Limited or its content licensors and is protected by applicable copyright, trademark, and other intellectual property laws.

You are permitted to view and print pages from the Site for your own personal, non-commercial use. You may not reproduce, republish, upload, transmit, or distribute any material from this Site in any form without our prior written permission.

The ACR name, logo, and any associated trademarks or service marks are the exclusive property of Assured Clinical Research Limited. Nothing in these Terms grants you any right or licence to use any of our trademarks.

7. Third-Party Links and Content

The Site may contain links to third-party websites, resources, or content that are not owned or controlled by ACR. We provide these links for your convenience and information only.

ACR has no control over and assumes no responsibility for the content, privacy policies, or practices of third-party sites. We do not endorse, warrant, or guarantee the accuracy or reliability of any content appearing on linked sites. Your use of any third-party site is at your own risk and subject to the terms and conditions of that site.

8.2 Accuracy of Content

While we make reasonable efforts to ensure the accuracy and currency of information on the Site, we make no representations or warranties, express or implied, as to the completeness, accuracy, reliability, suitability, or availability of the Site or the information it contains. Any reliance you place on such information is strictly at your own risk.

8.3 Limitation of Liability

To the fullest extent permitted by applicable law:

- ACR shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from your use of, or inability to use, the Site.

8.4 UK Consumers

If you are accessing the Site as a consumer resident in the United Kingdom, nothing in these Terms affects your statutory rights under applicable UK consumer protection legislation, including the Consumer Rights Act 2015.

9. Privacy and Data Protection

12. Changes to the Site and These Terms

We reserve the right to modify, suspend, or discontinue the Site or any part of it at any time without notice or liability. We may also revise these Terms at any time by updating this page. Your continued use of the Site after any such changes constitutes your acceptance of the new Terms.

We will indicate the date of the most recent update at the top of this page. For material changes, we may provide more prominent notice where reasonably practicable.

13. Severability

If any provision of these Terms is found to be invalid, unlawful, or unenforceable by a court of competent jurisdiction, that provision shall be deemed modified to the minimum extent necessary to make it enforceable, or severed from these Terms if modification is not possible. The remaining provisions shall continue in full force and effect.

14. Entire Agreement

These Terms, together with our Privacy Policy, constitute the entire agreement between you and ACR with respect to your use of the Site and supersede all prior agreements, representations, and understandings relating to that subject matter.
