

\$80 logo re-draw 48 hour Contest

This is a re-draw competition.

Money: \$50 paid via Paypal.

Duration: 48 Hours. (I reserve the right to extend the contest for 12 hours in case we don't get a submission that's suitable)

What I require:

1. Vector Redraw of both the white and grey existing logos keeping the original font.
2. I wish to see the logos using different fonts.
3. New variation of this logo...
4. I also require the logo text varied to read:

"K9 AIR CARGO SECURITY"

"K9 AIR CARGO SCREENING"

"K9ACS"

"K9 ALL CANINE SERVICES"

Please do not post the business name in the tread as I am hoping to avoid indexing.

Please feel free to watermark your work, we will be able to appreciate the design underneath.

We would very much appreciate it if entries are posted in the thread if at all possible and not private message.

The winner should provide the final logo in vector & also advises the name of any fonts used in the design.

We would like a "Landscape" & "Portrait" versions of the finished logo. The longer landscape version so we can fit it into the header of our new website, and the taller, more stacked portrait version which we can use elsewhere on business cards, letterheads etc.

Thank you and good luck.
