Lake Island Rifle and Pistol Club has been using **What's App** to communicate anything going on at the Club. We currently have about 20 members using it. **What is What's app?** WhatsApp is a free to download messenger app for smartphones with access from your PC. We provide a link to our WhatsApp blog on our "Members Only" website.

WhatsApp uses the internet to send messages, images, audio or video. The service is very similar to text messaging services however, because Whats App uses the internet to send messages, the cost of using WhatsApp is significantly less than texting.

To get on the app Call Tony Gallo at 732-874-3192
