Memo From: Andrea Clarke (Principal)
Topic: Popcorn Sales/Halloween Tickets
Date: October 7, 2025

I hope everyone had the most wonderful weekend. We'd like to let you know that St. Augustine's Elementary has teamed up with @Popcornnl to do a Fundraiser. Popcorn NL is a locally owned and operated Gourmet Popcorn Business. They sell a variety of different flavours all Gluten Free with Vegan options and in a peanut free facility. Students, Families, Staff and school council will be selling 9 different flavours of popcorn. To see the labels of each of these flavours go to their Facebook page (Popcorn NL) and look under albums. Large Family sized Bags are only \$15 each. It is not mandatory but we do appreciate any effort you may give to participate in this fundraising project. This fundraiser will start today, **Tues., Oct. 7th and run until Oct 24th**. All sellers' sheets and money have to be returned on or before Oct. 24. There is a prize from PopcornNL for the highest seller within our school. The size of this prize increases based on the number of bags the highest seller sells. All proceeds will be used to purchase various resources within our school. Thank you for your support!

Next, ticket sales for the annual Halloween draw have begun. These tickets are for the students in our school. There will be a primary winner and an elementary winner. Our staff have been donating prizes and they are being displayed in the display case at the front of the school. Each day, students can purchase tickets for 25 cents each or 5/ \$1. At the Halloween Fair on October 31st, two numbers are randomly drawn by the computer; one for a primary winner and one for an elementary winner. If your child comes home talking about tickets, this is what they are referring to.

Last but certainly not least, our St. Augustine's Elementary Annual Halloween Fair will take place on Halloween day, Friday, October 31st. As in previous years, different grades will be asked to donate different items for sales, games and so on. More information will be provided from your child's teacher in the coming days. If you have not received any information pertaining to the Halloween Fair, ask your child about it and/or email your child's teacher for information.
