

Master List of Fic Headers for accio kilt/calanor fics

~*~*~

ATTENTION: If it is posted online, then I/we intend to finish it! Real Life can be a bitch as most of you know, so cut me/us some slack!

Now that those little legal ditties are out of the way, on to the fic specific header information:

Title: Rescue Me

Author/s: calanor and accio_kilt

Status: One-shot , Complete

Length: 5,025

Fandom: Harry Potter

Main Characters or Pairings: SS/HP

Rating: NC-17

Setting/s: Post-Hogwarts

Warnings: Slash, mentions of rape, drugs, and suicide

Author's Note: *Written for Pornicators challenge #8: Whorefic! Postwar Snape, down and out, free but persecuted, and he has resorted to prostitution to survive. Harry's been gone since the war ended, and chances upon Snape, possibly being abused by a john. I would like a still-snarky Snape, wanting comfort but refusing to ask for it. A happy ending, maybe Harry had an unrequited crush on Snape. Plenty of misunderstandings and hurt feelings, lots of Snape angst. I adore clichés. If you write this, I will love you forever! 5000 word limit.

Beta: none, I wanted to get this posted.

Title: Discoveries and Denial

Status: One-shot, Complete

Fandom: Harry Potter

Length: 1,735 words

Author/s: accio_kilt and calanor

Main Characters or Pairings: SS/HP

Rating: NC-17

Setting/s: Post-Hogwarts

Warnings: Slash, Graphic Man-sex, Hidden secrets revealed

Author's Note: I viewed pictures on Snakeling's site, here, and was immediately bitten by an adamant plot bunny. I emailed the idea to Calanor and we wrote it together online tonight. Needless to say, calanor is craving a drink and I am craving my man, but will have to settle for a cold shower.

Hope you like. I don't know if there will be any sequels, but anything is possible.
Beta: none, I wanted to get this posted.

The damn thing bit me and the muse grabbed me by the nose and dragged me across the keyboard. I couldn't stop typing until just about 17 hours later, the muse controlling the direction of the story, and Calanor feeding me encouragement and ideas along the way---so here it is, just for you love, Unbroken_Halo. This get-well fic is for you, from us. OMG, I actually wrote something that wasn't NC-17!! Will miracles never cease!!
