## <h2>Design Inspiration with Manish Malhotra's CenturyLaminates</h2>

CenturyLaminates' collection, with Manish Malhotra's touch, creates unique laminate designs in two finishes: premium gloss (MI) and ultra matte (UM). Use either of the finishes to create the most beautiful, extraordinary furnishings and items within your space.

### **Multicoloured Floral Cabinetry**

Make designer furnishings, such as a cabinet, using laminates with floral patterns. These materials come in varied colours and have different flowers on them. Each is unique in its own way, and you can pick anything from Knight Garden, with its grey and white flowers against a black background, or Spring Primrose, which has a purple backdrop and white flowers on it. Every laminate in this collection has the signature M from the [Manish Malhotra collection](#), which adds to its uniqueness.

### **Wardrobe with Textured Patterns**

Textures are always a trendy addition to any space, especially when you can have a fusion wardrobe that mixes different textures, designs, and patterns. Pick anyone from Emphatic Tapestry, Radiant Monk, Soothing Tapestry, and Carnation. They all have interesting designs and patterns that are incomparable and unique to every other laminate. Your wardrobe is the highlight of your room and elevates this part with some of the best laminates in the collection.

## Wall Panels with Insignia

While Manish Malhotra's signature "MM" trademark is present in every laminate, the [Insignia collection](#) is entirely around this trademark. It's a combination of colours that makes the Insignia look like a part of the design and makes it fit into your living room or any other place you want to add it. A wall panel is incredibly useful when using a single place for different purposes. Add a panel with laminates from the Insignia collection and be surrounded by luxe energy that exudes positiveness and drive.

## <h2>Complete Appeal of CenturyLaminates by Manish Malhotra</h2>

While the CenturyLaminates collection by Manish Malhotra can be used in several ways, they also maintain a unique aesthetic unique to each category. The different collections focus on creating functional, sophisticated patterns that make your furnishings exclusive to only your home. So, discover all about Manish Malhotra's exclusive laminates in the section below.

### Insignia

Insignia is the rarest and most luxurious collection. It is filled with Manish Malhotra's unique texture and pattern that expresses his artistic view to add a touch of creativity to your space. Use any laminate from the Insignia collection to make your home a special place that adds excellence to every surface.

### Elegante

Elegante exudes style and elegance with its every laminate. The materials are versatile and have detailed textures that make your home a museum of artistic expression. The collection boasts around twenty-five laminates with uniform thickness and is well-loved by homeowners, architects, and designers. Add the designs of Exotic Corolla, Hawaiian Bloomberry, and Salmon Floral to make your home have a bit of vintage appeal but with the beauty of Elegante.

### Fusion

Fusion is a combination of art, elegance, and drama. It only has four different laminates, but each is unique. All the laminates in such collections are practical and add a pop of colour with their

lovely patterns. Use these laminates in every commercial and residential space. It will even look great in your restaurant if that is the reason behind looking for materials. But overall, they elevate your interior in every way and personify excellence.

### <h3>Conclusion</h3>

Be creative when using the [decorative laminates](#) made specifically with Manish Malhotra's flare to make your interiors look elegant, chic, and contemporary. Ace the interior designing game with such materials and create something exceptional that takes your breath away. These are the kind of materials that elevate your position to any visitor who is charmed by your excellent taste.

The appeal of CenturyLaminates' collection increases even further when you get the benefits of longevity, protection against borer and termites, and scuff and stain resistance to elevate the durability of your laminates. No matter how the materials are styled, these are uncompromised, and you can use them for many years. All you have to do is maintain it properly, and you can use it beyond its warranty if required.
