

Year 9: Computing

Summer Term 1: Tour The National Museum of Computing (Visit)

Go to [tnmoc.org/3d-virtual-tour](https://www.tnmoc.org/3d-virtual-tour)

Click play to open a new page.

Follow the on-screen instruction. Click on the white and greens circles for more details about the displays.

How should they communicate with school when the task is complete?

Show your class teacher during the last lesson of the half term.

Useful resources
