

## MOCK TEST – PROJECT 3 (UNIT 5)

### I) Read the text and answer the questions:

*My name is Mia Lynne Lindstrom. I am a pianist. I began playing the piano when I was three years old. I am ten years old now. I play the piano in the junior orchestra at the community college. We give a concert twice a year. I am always practicing new music for the next concert. During the school year, I take four piano lessons every week from my piano teacher, Mrs. Taylor. Mrs. Taylor teaches piano lessons at the college. In the summer, I take two lessons every week. I practice playing the piano about ten hours every week. I practice very hard because I want to learn everything about playing the piano. The piano is a very interesting instrument to play. I like reading the notes, moving my fingers on the keys, and hearing the beautiful music. It is sometimes difficult, but I always practice until I can play the music perfectly. I am not sure what I want to be when I grow up. I do know that playing the piano will always be a major part of my life. It is very special to me.*
