Interview with Newsletter Creators - Video or Audio file needed

I want to embed a short video (or it could be audio) of you talking about your Newsletter into the biography section of the guest post.

- Please take around 6-10 seconds for each point, for a 30-second video or audio clip that I will embed in the intro of your guest post. (This is **totally optional**, just a possible structure)

1. *State your name, and the name of your Newsletter.*
2. *How would you describe (name of your Newsletter) to a six year old?*
3. *What are you most proud of that you have built with (name of your Newsletter)?*
4. *What is your highest goal for (name of your Newsletter)?*

You can of course say whatever you like that you believe will get readers to check out your Newsletter, this is only a general guide.

This is basically your chance to stand out to a new potential audience and connect with readers on a more personal basis.

Remember to send it to me **in a DM on LinkedIn as a link, saved as a Google Doc**. This helps me streamline my operations and guest contributor content.
