

Media Extra Credit

Media Extra Credit (up to 2.5 points onto final grade)

- Find a piece of media (tv show, video, news article, comic, book, etc.)
- Explain this in **two** parts:
 - How does this assist or compliment and connect to something from the course materials (be thorough!)
 - How and where could this be used in a class, discuss as if you were implementing it as a teacher!
- Attach media or link to dropbox and upload word file, as well as copy and paste into 'comments section,' just in case!
- This should be about 2 pages double spaced. Make sure you are quite descriptive on both parts for full credit.
