

Science 9-2 Homework

Welcome to 9-2 Science with Mrs. Gosse 🙂

Date	Material Covered/Homework
Friday, October 31st	
Thursday, October 29th	 Naming Covalent Compounds. Naming Ionic and Covalent Compounds Worksheet (posted in Google Classroom). Chemistry Unit Test on Thursday, November 6th. Cue Cards for Chapters 2 and 3 and the Scientific Processes and Graphing Worksheet are due this Friday (October 31st).
Wednesday, October 29th	- No Science Class today.
Tuesday, October 28th	 Naming Ionic Compounds (Notes posted in Google Classroom). Practice questions from page 82 in the textbook (Answers posted in Google Classroom). Chemistry Unit Test on Thursday, November 6th Cue Cards for Chapters 2 and 3 and the Scientific Processes and Graphing Worksheet are due this Friday (October 31st).
Monday, October 27th	- Continued with graphing and scientific processes practice.

Friday, October 24th	- No Science class today.
Thursday, October 23rd	- Graphing Review. - Graphing Practice.
Wednesday, October 22nd	 - Quiz marks given back and posted in PowerSchool. - Started Chapter 3 (Notes posted in Google Classroom).
Tuesday, October 21st	- Chapter 2 Quiz. - Started Cue Cards for Chapter 3 (Words posted in Google Classroom).
Monday, October 20th	 No Science Class today. Quiz: Tomorrow (Tuesday, October 21st) on Chapter 2 and Periodic Table work. All notes, worksheets, reviews and answers are posted in Google Classroom (under Chapter 2 tab).
Friday, October 17th	 Completed "Chapter 2 Review" Booklet. All notes, worksheets, reviews and answers are posted in Google Classroom (under Chapter 2 tab). Quiz: Tuesday, October 21st on Chapter 2 and Periodic Table work.
Thursday, October 16th	 Completed "Chapter 2 Worksheet". Started "Chapter 2 Review" Booklet. All notes and worksheets are posted in Google Classroom. Quiz: Tuesday, October 21st on Chapter 2 and Periodic Table work.
Wednesday, October 15th	 No Science class today. Please finish "Chapter 2 Worksheet" for tomorrow's class. All notes and worksheets are posted in Google Classroom. Quiz: Tuesday, October 21st on Chapter 2 and Periodic Table work.

Tuesday, October 14th	 - Worked on "Chapter 2 Worksheet". Please finish this worksheet for Thursday's class. - All notes and worksheets are posted in Google Classroom. - The next quiz will be on Tuesday, October 21st on Chapter 2 and Periodic Table work.
Thursday, October 9th	- Finished Chapter 2. - Started Chapter 2 Review Worksheet. - All notes and worksheets are posted in Google Classroom. - The next quiz will be on Tuesday, October 21st on Chapter 2 and Periodic Table work. Have a great long weekend everyone!
Wednesday, October 8th	 No Science class today. Please complete the Bohr-Rutherford worksheet handed out in class yesterday (posted in Google Classroom). The next quiz will be on Tuesday, October 21st on Chapter 2 and Periodic Table work.
Tuesday, October 7th	 Reviewed families and calculating protons, electrons and neutrons. Started Bohr-Rutherford Diagrams (Notes posted in Google Classroom).
Monday, October 6th	 Reviewed Families and calculating protons, electrons and neutrons using the periodic table. (Notes posted in Google Classroom). Please complete the Inside the Atom Worksheet and the Periodic Table Worksheet for tomorrow.
Friday, October 3rd	- No Science class today.

	 - Periodic Table Worksheets are due on Monday! If students completed them online then please turn them in via Google Classroom. If they were completed on a hard copy then they should be passed in during class on Monday. - Reminder to complete the cue cards and word wheel for Chapter 2 if not already done. The terms are posted in Google Classroom. - Have a great weekend everyone!
Thursday, October 2nd	- Today students worked on a Google Classroom assignment (Periodic Table Worksheet). This is due tomorrow.
Wednesday, October 1st	- Started Chapter 2 (Notes and Worksheet posted in Google Classroom)
Monday, September 29th	 - Chapter 1 Quiz - When finished the quiz students worked on a word wheel and cue cards for Chapter 2 (the words are posted in Google Classroom). - Students got their labs back today.
Friday, September 26th	- No Science Class today.
Thursday, September 25th	- Review Class Notes, worksheets, reviews and answers posted in Google Classroom Chapter 1 Quiz: Monday, September 29th
Wednesday, September 24th	 - Finished lab write up. All labs are due tomorrow. - Physical and Chemical Changes Worksheet (Worksheet and answers are posted in Google Classroom) - Worked on Chapter 1 Review Booklet (also posted in Google Classroom) - Reminder: Chapter 1 Quiz: Monday, September 29th
Tuesday, September 23rd	- No Science class today. - Reminder: Chapter 1 Quiz: Monday, September 29th

Monday, September 22nd	- Physical and Chemical Changes Lab - Reminder: Chapter 1 Quiz: Monday, September 29th
Friday, September 19th	 Completed a Pre-Lab for Monday's Physical and Chemical Changes Lab Video on History of the Atom Started Chapter 1 Review Booklet Chapter 1 Quiz: Monday, September 29th
Thursday, September 18th	 - Finished History of the Atom Notes (posted in Google Classroom). - Completed History of the Atom Summary Worksheet (posted in Google Classroom).
Wednesday, September 17th	- No Science Class today.
Tuesday, September 16th	- Periodic Table Worksheet. - Started History of the Atom Notes.
Monday, September 15th	- Worked on Element Card Assignment (Posted in Google Classroom under Chapter 1). Element cards are due in class on Tuesday.
Friday, September 12th	- No Science class today Binder check on Monday. Four cue cards, one word wheel, notes and safety questions should be completed in the binder.
Thursday, September 11th	 - Finished Chemical Properties today (Notes posted in Google Classroom under Chapter 1). - Started Element Card Assignment (Posted in Google Classroom under Chapter 1). - Binder check on Monday. Four cue cards, one word wheel, notes and safety questions should be completed in binder.
Wednesday, September 10th	 Started Matter and Properties today (Notes posted in Google Classroom). Reminder to please complete the Safety Questions assigned (See Safety Slideshow in Google Classroom

	for assigned questions). There will be a binder check on Monday.
Tuesday, September 9th	- Continued with Lab Safety (Rules and Lab floorplan) - Cue Cards (See Google Classroom for list of terms completed so far) - Please complete the Questions from page 13 in the textbook (Questions 1,2 & 3)
Monday, September 8th	 - No Science Class today. - Reminder to join Google Classroom - Google Classroom Code b43jahwn
Friday, September 5th	- Started Unit 1 - Lab Safety (notes posted in Google Classroom) - Reminder to join Google Classroom - Google Classroom Code b43jahwn
Thursday, September 4th	- Course description handed out (it is also posted in Google Classroom) - Reminder to join Google Classroom - Google Classroom Code b43jahwn
Wednesday, September 3rd	- No Science Class today. - Google Classroom Code b43jahwn
Tuesday, September 2nd	Welcome back everyone! Google Classroom Code b43jahwn
