School Devices

All students in Grades 5 and Grades 9 will receive new devices on the first day of school in the homeroom class.

- As we move forward, remember that it is the students' responsibility to bring a fully charged device and the power cord to school every day. We have limited Chromebooks for loaners and limited charging options throughout the school.
- Please pay careful attention to the 1:1 Device Guidelines form on the R6 Permissions and Agreements form.
