

EMAIL: kq_official@kgent.com OR ateezstaff@naver.com
SUBJECT: URGENT : ATEEZ YEOSANG SASAENG FANSITE

To KQ staff members:

Hello, I hope you're having a great week.

The motive of this email is to report a fansite (DearMyFriend99) who has been invading an ATEEZ member's privacy by stalking him and the whole group outside of schedules. Also she has been booking the same hotels and flights as ATEEZ on purpose so she could watch everything that Yeosang was doing and secretly follow him around everywhere. Over the past year, she has been doing this excessively and has also documented it and shared it online.

In addition, she has also been taking pictures and videos of Yeosang outside of work hours. Furthermore she has talked to and bothered him at airports, on the streets, in hotels and at restaurants.

We are asking you to blacklist this fansite and to stop her from bothering Yeosang and the other members. The protection and safety of your artists should always be more important than any commercial support from a fansite. This kind of behavior from DearMyFriend99 can easily become an even larger problem later if you don't take action now.

Thank you for reading this, I hope you will take immediate action, especially since this has been a long term issue and nothing has been done so far.

Best regards,

A worried ATINY

SUBJECT: 긴급 : 에이티즈 여상 사생팬사이트

KQ 스태프분들에게:

안녕하세요.

ATEEZ 멤버 강여상군의 사생활을 침해하며 스케줄 외에 멤버들을 스토킹해온 팬사이트 (DearMyFriend99) 를 신고합니다. 그녀는 여상씨의 모든 행동들을 감시할 수 있도록 일부러 ATEEZ와 같은 호텔과 항공편을 예약해 놓고 있으며, 여상씨를 몰래 따라다닙니다.

지난 1년 동안, 그녀는 과도하게 이런 행동을 보이며 또한 몰래 찍었던 사진들을 SNS에 공유했습니다.

게다가 그녀는 근무시간 외에 여상씨의 사진과 영상도 찍었습니다. 공항, 공공장소, 호텔, 식당에서 등등 여상씨한테 접근하며 불편하게 만들었어요.

이 팬사이트를 블랙리스트에 올려놓고 여상씨와 다른 멤버들을 괴롭히지 못하게 해주세요. **KQ** 아티스트들의 보호와 안전은 우선이며 팬사이트의 상업적 지원보다 훨씬 더 중요하다고 생각합니다. 기획사가 당장 조치를 취하지 않는다면 **DearMyFriend99**의 수상한 행동들이 나중에 더 큰 문제가 될 수 있어요.

읽어주셔서 감사합니다. 이 문제는 오랫동안 일어나고 있었으며 지금까지 회사에서 아무 조치도 취해지지 않았으니, 즉각적인 조치를 취해주길 바랍니다.

감사합니다,

걱정스러운 **ATINY** 올림

This isn't part of the email template, but I just want to emphasize something. As fans, we should always put the safety of our favorite idols first and foremost above everything. It really hurts me to see people side with or defend fansites just because they're scared they might not get photos of Yeosang anymore. But by following and supporting these sasaeng fansites, you are only putting Yeosang and the other members in more danger and enabling their creepy behavior. It is not ok to invade someone's personal privacy or take pictures without their consent. Please understand that.
