

Dear St. Paul's LWML,

Thank you for your continued support for my second year at Seminary. I just finished the Fall Quartet of classes and have really gained a lot of insight concerning God's Truth revealed in Scripture.

In this Winter Quarter, I will be taking Greek Readings, Pentateuch I, Revelation, Field Ed II, Theologian Baptism, and seminar class on Peter Lombard's Sentences.

I have thoroughly enjoyed my time here at the seminary, and I have many generous people like yourselves to thank for that opportunity. May the Lord bless you all as Christmastime quickly approaches!

In Christ,  
Alex Kaldahl
