

Anatomy and Physiology

Mrs. Henney
Penn-Trafford High School
Room 215
henneyj@penntrafford.org

Topics:

Intro to Anatomy	Nervous System	Digestive System
Histology	Cardiovascular System	Urinary System
Integumentary System	Lymphatic System	Reproductive System
Skeletal System	Respiratory System	Rat Dissection
Muscular System		

Grades:

Your grade for each quartile will be calculated on a weighted system using the following percentages:

Tests- 40%	Classwork- 10%
Quizzes- 25%	Homework- 5%
Projects/Labs - 20%	

Your final grade for the course will be calculated using the following percentages:

1 st Quartile- 25%	3 rd Quartile- 25%
2 nd Quartile- 25%	4 th Quartile- 25%

Classroom Rules:

- **Be respectful!** Show respect to everyone and everything!
- Follow good conduct rules and policies established in the student handbook at all times.
- Be prepared with materials each day (notebook/binder, ipad/charger, and pen/pencil).
- Be on time! You must be in your seat and ready to work when the bell rings. No food in the classroom!

Classroom Procedures:

- SmartPass is an app on your ipad that you will use to sign out for the restroom. **Ask at appropriate times!**
- Please place all completed work in your class period's bin located in the back of the classroom.
- You are responsible for keeping track of your grade in this class by accessing your account in PowerSchool.
Please see me before or after class if you have any questions/concerns about your grade.

Tutoring:

You have two options if you'd like to get extra help in A&P::

1. Make arrangements to see me before or after school.
2. Go to the Media Center during your study hall- peer tutors are available (ask me for a pass).

Assignments:

- You will receive a Study Guide for each unit that is designed to help you prepare/study for the unit test. It will always be due at the **beginning** of class on the day you take the test.
- Assignments, labs, study guides, and projects must be turned in ON-TIME! If work is turned in one day late, you will automatically lose half credit. I will NOT accept work past one day of the due date.
- The work you turn in is to be **your** original work. If your assignment is plagiarized from a text, internet source, or another student- you will receive a zero. Cheating during a test will also result in a ZERO!

Student Absences:

- When you are absent from class,
 1. Check my lesson plans that are posted in Google Classroom.
 2. Check the absentee folder when you return to class.

You will have the same number of days to make up missed work as the number of days that you were absent.

- If an assignment is due on a day you miss class, it must be turned in when you return.
- Tests and due dates for most assignments are announced in advance. Therefore, if you are absent, you are still responsible for completing the work ON TIME.

Safety:

- Safety in the laboratory will be discussed in the first unit. You will sign a safety contract that will be kept on file for the entire school year.

Discipline Policy for Rule Violation:

- | | |
|--------------------------|--|
| 1 st offense: | Verbal Warning |
| 2 nd offense: | Teacher/Student Conference |
| 3 rd offense: | Teacher Detention (parent letter with signature) |
| 4 th offense: | Phone Call Home |
| 5 th offense: | Office referral |

Cell Phones and Earbuds:

- Cell phones are NOT to be used, seen, or heard while in my classroom- unless I give you permission to use it for an assignment.
- Earbuds should NOT be worn while in class. Please ask permission to use them while working independently.

Grading Scale:

- A 100-90
- B 89-80
- C 79-70
- D 69-60
- F 59 or lower

Textbooks:

- Marieb, Elaine and Keller, Suzanne. Essentials of Human Anatomy and Physiology. Pearson, 2018.
- Rebecca Skloot, The Immortal Life of Henrietta Lacks, 2011

Notebooks:

- You **NEED** a 3-ring binder for this class (preferably one inch or larger).
- Keep papers organized to the unit that they belong- use the colored dividers that I will give you.
- KEEP EVERYTHING- place all papers into your notebook in the appropriate section (you will need these materials to study for your CUMULATIVE Midterm and Final Exam).
- Bring your notebook with you to class everyday!
