Monday June 23, 2013 4:00pm - 6:00pm
Location: Cambridge (TBD)

During the AppSec conferences, the SAMM project team organises workshops for you to influence the direction SAMM evolves. This is an excellent opportunity to exchange experiences with your peers.
Understanding of SAMM is a prserequisite for participation in this OWASP summit session.

Present:
- ...

Agenda:
1. Introduction / getting to know each other - 10 mins.
