

laasta

circe. (sr-ees.) i'm 25 and i'm a leo. i use exclusively they/them pronouns. gendered pronouns are the enemy and i'm nonbinary jewish boricua lesbian. discord / twitter / snap are available at mutual request. if you see me having a moment: i'm probably going to be fine. i'm an autistic bipolar person and sometimes i just have to scream. i promise, 9/10 i just need to yell. it will be tagged.

rules.

rule 1. this is my original character and i love them very much. they literally came to me in a dream. please use they/them pronouns. they are a

dimidue love child. more information will be coming about them later as i see fit to reveal. they are

also unaligned nonbinary. so please don't refer to them with gendered terms, ever.

rule 2. i have a zero tolerance policy, for racism, misogyny, transphobia, rape, and pedophilia. if i see you engaging in any of those. that is an instant hardblock. i prefer not to follow minors. as i am 25 and that's weird.

rule 3. i use my block and unfollow buttons at the drop of a dime. it's not something that i take very seriously. also if i see that you've hard blocked me, i'll hard block you back. no, i'm doing it because i'm mad or because i hate you if you don't want me to interact with your content i'm gonna expect the same courtesy.

rule 4.

my psd was made by danwilds. i made all my own icons for creo and the boy. if you want to use them, ask me off of anon and we can work something out. you can find the bases for my quintessa icons [here](#). header art source is from the moon power tarot which you can [buy here](#). my icon art is by bobby [unlocklist](#)

rule 5. the blacklist:

- miscarriages
- rape
- incest
- snakes
- violent homophobia, especially violent lesbophobia including but not limited to all forms of conversion therapy tagged. please
- damon salvatore
- from star wars: kylo ren / armitage hux
- from marvel: grant ward / any hydra
- car crashes

rule 6. i know this may feel out of place here, but please do not call me queer or a dyke if don't know you. it makes me deeply uncomfortable. i may call myself these words on occasion but that's because i'm allowed to but i have a lot trauma around them. and i'm not saying you cannot choose to reclaim them but i'm just asking you to have some compassion for gay trauma survivor
