TEACHER

Carol Macklem

Welcome to Second Grade!

We'll focus on developing a wide range of reading skills and strategies through the use of quality literature and phonics. Your child will be provided with many writing experiences, and a wide range of hands-on math activities that will encourage critical thinking. Social studies and science units will motivate young learners.

About Me

I'd like to take this opportunity to introduce myself to you. After I graduated from the University of Nebraska-Lincoln in 1992, I taught for Omaha Westside Community Schools for five years. I taught kindergarten, third grade, and sixth grade. I was also assigned the Primary Excellence in Youth Gifted Coordinator at my elementary building site for two years. In 1998, I received my Master's Degree majoring in Reading from the University of Nebraska-Omaha. Then, I moved to Colorado, and I've enjoyed teaching for Littleton Public Schools at Highland for twenty-four years and Gaskill for one year. It's been exciting to be teaching at a brand new school. I've taught second grade for eighteen years and third grade for eight years, and I continue my role as a life-long learner. I want you to know that there is no place I would rather be, and no job that I would rather have.

My Favorites

COLOR: red
FOOD: pizza & sushi
FLOWER: daisies
SNACK: pistachios & popcorn
SPORT: college football
STORE: Nordstroms & Target
HOBBY: cooking & reading
DRINK: Starbucks & Diet Pepsi

Contact Me

You can always leave a message for me at the school office, write me a note, call my voice mail (303)347-4500, or e-mail me at cmacklem@lps.k12.cous.
