@Valhalla_X0 @askchiadika held awesome sessions for 3 days!

I couldn't help attending all the classes.

FB Pixels & retargeting was broken down to its simplest easy-to-digest form that a novice would understand.

He's good. Really good!!!

Wow the class titled "Make Money with FB pixels" by @askchiadika is really a must for everyone especially entrepreneurs. I just learnt how to maximise the use of ads. I have really been doing it wrong all these while. I am glad to have taken the class. @RealNaijaGuy @askchiadika
