

Winner - Best Overall and Best Prototype, Bridge Innovate 2021

Winner - Nikola Tesla Prize, AT&T Inventor Challenge 2020 (USA)

Gold Medal – China International Invention & Innovation Expo 2021

Gold Medal – AsianInvent Singapore Challenge 2021

Gold Medal – Innovation Week in Africa 2021, Morocco

Gold Medal - Macao International Innovation and Invention Expo 2020

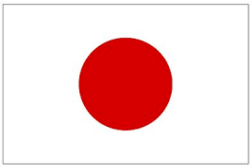

Bronze Medal - INTERNATIONAL WARSAW INVENTION SHOW 2020, POLAND

Special Award - Korea International Youth Olympiad 2020

Gold Medal - Korea International Youth Olympiad 2019

Silver Medal - JAPAN DESIGN, IDEA & INVENTION EXPO 2020

Winner – Best Overall and Best Prototype

Bright Spark by Bridge Innovate

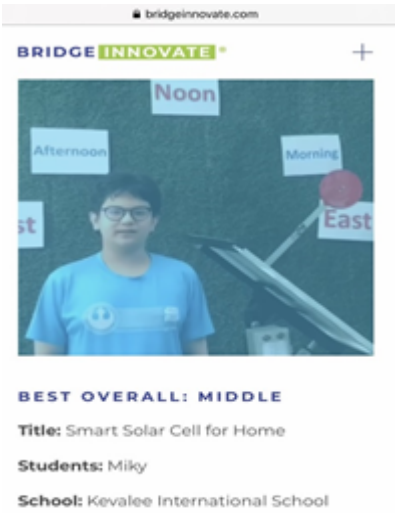

2021 Invention Challenge - The Future of Home (USA)

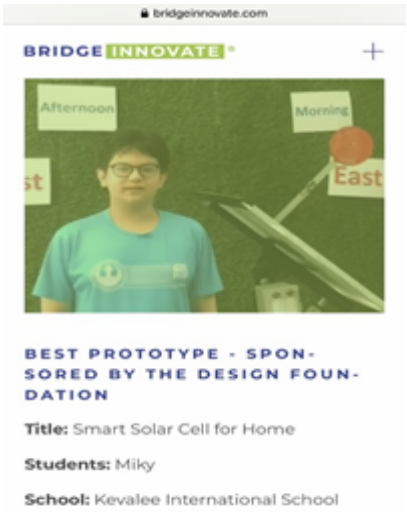

Invention: Smart Solar Cell for Home

Winner – Number 1 of the World

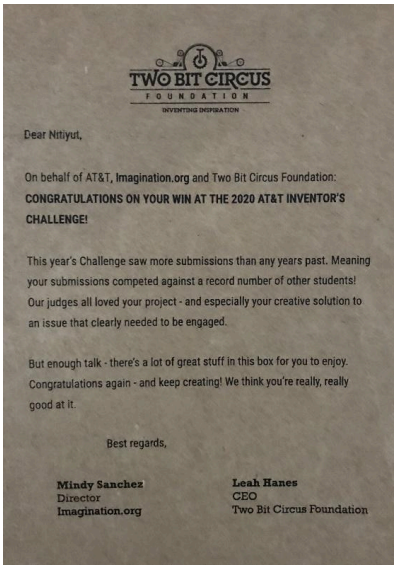

Grade 6 – Grade 8 (Nikola Tesla Prize)

AT&T Inventor Challenge 2020 (USA)

Invention: Positive Pressure Cabinet with Clean Energy

(Built-In Stethoscope)

TWO BIT CIRCUS FOUNDATION
INVENTING INSPIRATION

Dear Nitiyut,

On behalf of AT&T, Imagination.org and Two Bit Circus Foundation:
CONGRATULATIONS ON YOUR WIN AT THE 2020 AT&T INVENTOR'S CHALLENGE!

This year's Challenge saw more submissions than any years past. Meaning your submissions competed against a record number of other students! Our judges all loved your project - and especially your creative solution to an issue that clearly needed to be engaged.

But enough talk - there's a lot of great stuff in this box for you to enjoy. Congratulations again - and keep creating! We think you're really, really good at it.

Best regards,

Mindy Sanchez
Director
Imagination.org

Leah Hanes
CEO
Two Bit Circus Foundation

Gold Medal – China (Shanghai) International Invention & Innovation Expo 2021

Invention: Smart Chair for Paralyzed People

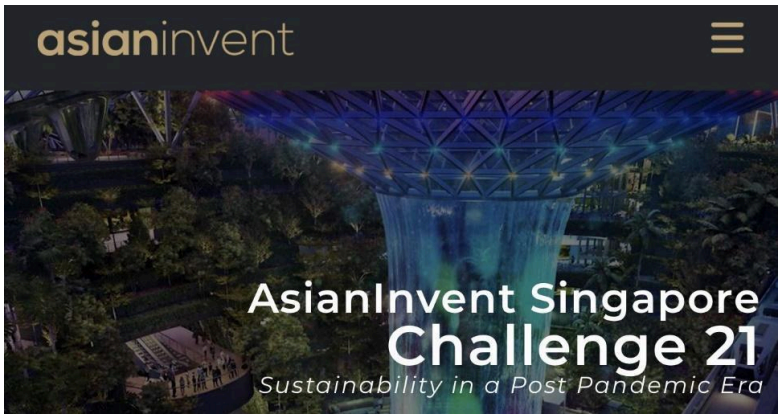

Gold Medal – AsianInvent Singapore Challenge 2021

Invention: Positive Pressure Cabinet with Clean Energy

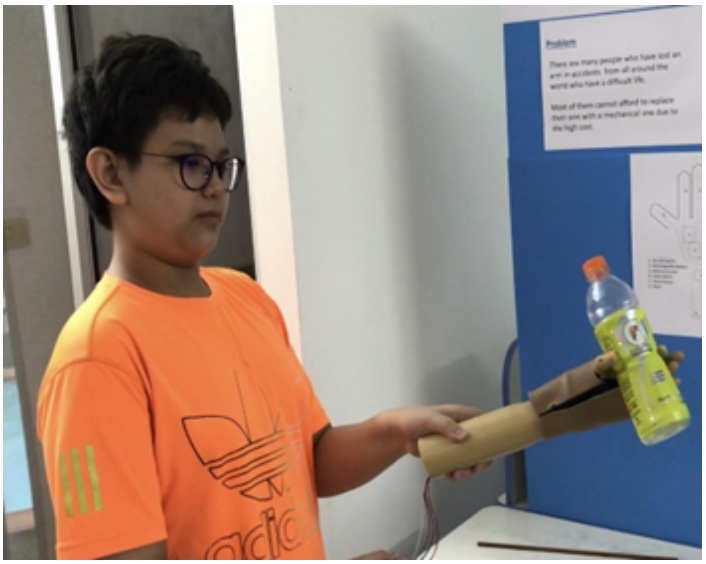

Gold Medal – Innovation Week in Africa 2021, Morocco

Invention: Mechanical Arm for the disabled

Gold Medal - The 8th Macao International Innovation and Invention Expo 2020 (MIIEX)

Invention: Smart Laser Cane

Bronze Medal - The 14th INTERNATIONAL WARSAW INVENTION SHOW" (IWIS 2020) in POLAND

Invention: Smart Air Purify Luggage with Clean Energy

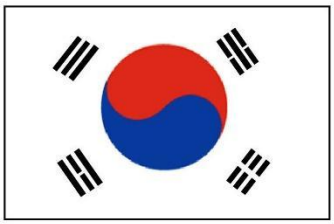

Special Award - Korea International Youth Olympiad 2020

Invention: I-See Cap for the Blind

2020 – 203

SPECIAL AWARD

5th Korea International Youth Olympiad 4i 2020
Organized by the World Women & Inventors & Entrepreneurs Association
SPECIAL AWARD from Mi-Young Han
Is hereby awarded to

Nitiyut Wongbuddha

For the best of best invention of
I-See-Cap

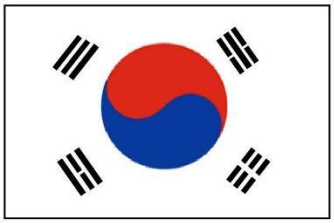

Presented at Korea International Youth Olympiad 4i 2020
October 12th, 2020, Seoul, Republic of Korea

World Women Inventors & Entrepreneurs Association

Mi-Young HAN
President, WWIEA

Gold Medal - Korea International Youth Olympiad 2019

Invention: Smart Solar Cell

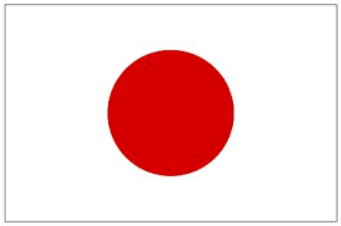

Auto move to face the sun

Silver Medal - JAPAN DESIGN, IDEA & INVENTION EXPO 2020

Invention: Smart Easy Wind Turbine

Convert wind from air condenser to electrical energy
