Media Release

March 2, 2023 The Luis P. Untalan Middle School community would like to acknowledge our students, faculty, and staff for their support of our student who sustained injuries in Tuesday's pedestrian accident in front of our campus. They assisted him until emergency personnel arrived and attempted to protect him from the elements and from passersby.

Our administrative team and counseling staff have been providing services to all those who have been affected by the accident. Additionally, counselors from other schools have been on campus to provide much needed assistance. Assemblies, small group meetings, and individual sessions are being offered to students and staff all week.

Tomorrow, LPUMS students will be united in showing their support for our student by wearing Blue for Kiko. Students have been writing letters and cards of encouragement, wishing Kiko and his family best wishes for a speedy recovery. The school community has offered assistance to Kiko and his family, to help in any way possible. To that end, we ask for your support.

To our students, please exercise extreme caution when using the crosswalk. Even when the crosswalk lights are working properly, check your surroundings and make sure that it is safe to walk. Make sure that all vehicles have stopped before you take that first step across the street.

To our island community, we ask for your help. It takes more than just a village to raise children. Parents and guardians send their children to school expecting them to return home safely. Help all our island students remain safe by obeying and following traffic laws. Please drive slowly not just in front of our school campus, but in front of all schools.

Let's Paws for the Cause. Wildcats are crossing!
