

# Demons/ Character Design/ Adoptables

## Rules:

(By commissioning/ participating in/ buying something from me, you accept these rules.)

I have the rights to whole original race and you buy a single "person like" character. After purchase an "Demon", you get complete freedom as to its use (which doesn't apply to pictures done by me), which means you can do what you want with it, but the race/ species design rights still belong to me.

You can re-upload the original picture that I made wherever you want since you bought it, credit would be appreciated for pictures that were drawn by me...

Commercial or Business use of my works without prior arrangement and compensation is forbidden (for more you can ask me in private message [Twitter](#) /[DeviantArt](#).)

Auction ends 24 hours after the last bid has been placed or the Adoptable gets autobought! However, I have the right to close auction at ANY time if I get the feeling the auction goes on for too long.

When auction is over I will send you my paypal email (with all information you need to include in paypal note) within 24 hours on priv. ( after that, you have another 24h for respond or auction win will go to the second highest bidder)

After payment you will get from me a file with all pictures bought at auction, to your paypal email (full resolution, without my watermark + some concept arts, if i made any)

- Payment must be received no later than 48h after the auction ends (notify me in a priv before bid if you need more time)
