

Marywood University Visiting Team Information

Athletic Training Room Facts

- Contact Information
 - 570-348-6211 x2102 or x2548 or email sportsmedicine@maryu.marywood.edu.
- The main Athletic Training Room for Marywood student-athletes is located on campus in the Center for [Athletics and Wellness](#), first floor ***1501 University Ave. Dunmore***
- Athletic Trainers will be at events approximately 45 minutes prior to the game/contest, therefore, teams should go to the athletic training room immediately upon arrival for treatment and not to the fields, courts or arenas.

AT Coverage

A Certified Athletic Trainer (ATC) will be on site at all contests or within the athletic facility for matches/meets involving Marywood University athletic teams. Our hosting athletic training room will generally open two hours prior to the contest start and close once your team personnel have indicated to our AT staff that they are all set to leave.

Treatment / Pre Game Prep

Ice packs, hydrocollator packs and standard taping and wrapping are available upon request with a stocked medical kit. Modalities, such as ultrasound and electric stimulation may be utilized only by the Certified Athletic Trainer traveling with your team. The Marywood Athletic Training staff will not treat any visiting athletes with Therapeutic modalities.

Contest Set Up & Equipment:

Water, ice, plastic bags, coolers and splint kits are standard set-up supplies. AED, crutches, slings, and spinal immobilization equipment are on hand for emergencies.

EMS:

The host AT will assist you in requesting EMS if needed.

Prior to your visit

Please phone or email ahead of time if your team will be traveling without a certified athletic trainer to go over your team's needs if need be while they are here.
