

Poster Presentation Abstract Template

Please fill out this template with your poster presentation information and have it saved and ready to upload to the registration form when prompted.

Please save your file as 'LastNameFirstNamePosterPresentation2024.docx'

Thank you!

Title of Poster

Presenting author's full name, co-author's full names, and **Principal Investigator's full name**
Author's Affiliation(s)

Abstract: 250 words maximum.

Graphical abstract/Figure (optional): You may include one corresponding figure to represent your presentation. It should be no bigger than half the page.

Important notes:

Title:

- Bold
- Capitalize the first letter of each word
- Centered paragraph

Authors:

- Format example: John D. Smith
- Underline the primary presenter
- Bold corresponding principal investigator

Affiliation:

- Institution, University in italics (*example: College of Pharmacy, University of Illinois at Chicago*)
- Link the author to affiliation using superscript numbers

Figure:

- You may use any type of figure that you are able to insert into this document
- Please insert a high-resolution image
- The abstract paragraph + figure may not exceed one page
- Center the figure below the abstract paragraph

Font size: all 11 point, single spacing

Max poster size: 36 inches by 48 inches

Oral Presentation Abstract Template
