

Hey There Awesome Human,

If I offered you a simple, evergreen client-getting Facebook group system that:

- Works in as little as 27 hours
- Is simple to deploy & scale
- Works on tiny audiences (I can show you how to easily build these)
- Adds as much as **\$210** of revenue for **EVERY** audience member

...Would you take me up on that offer?

After 10+ years of refinement, I've built an ironclad system for turning cold leads into red hot buyers in no time (my record was 27 hours from cold prospect to high ticket buyer)

This process works across any industry regardless of whether you're an affiliate, coach or course creator and has allowed students with little to no experience start making high ticket sales with tiny audiences.

Want to know how?

Introducing...

The Ultimate Marketing Mastermind™

How to leverage a simple dual-imprint nurturing process to close high ticket sales in as little as 27 hours even if you have a tiny audience, no funnels or email list!

After over a decade of experience online and having sold millions of dollars of products, services, coaching and more, I've refined an iron-clad client acquisition process that's allowed me to scale my business to over \$40,000+ per month (without paid ads)

Leveraging the skills I've been refining over the years and teaming up with some incredible marketers, I was fortunate enough to win the Clickfunnels 2 Comma Club Award for surpassing **a million dollars** through a single funnel.

I don't mention this to brag, but to simply illustrate that I've been doing this stuff for a long time. My results are not 'flash in the pan' type stuff - I've got the tenure and longevity to back it up. I'm in the trenches day in and day out and I've had the privilege of working with over 700+ students. Many lives changes, many impactful results on and offline and millions in revenue...

The process you can get access to has historically been reserved for my private coaching students.

Now I'm spilling the beans on this exclusive process so you can model it in your coaching, course or affiliate business to extract maximum revenue for you and your students....

The process is simple (although most affiliates and coaches fail to monetise their groups properly and leave potentially thousands on the table)....

Here's how it works:

1. We setup and optimise your Facebook group in a specific way that allows you to gain rapid authority, get to the crux of your audience's pain points and setup your group in a way that allows you to extract yourself from the business.
2. We deploy the D.I.N.P (Dual Imprint Nurturing Process) which allows you to create a rapid bond with your audience and starts to provide solutions to their problems *IN ADVANCE* of asking for the sale
3. We close high ticket deals! This can be through a simple google doc or a quick call to see if you gel well with prospect (important for coaching - you want to ensure you get along).

Here's everything you're getting as part of the [Ultimate Marketing Mastermind](#)...

- **A Full 180 Days Exclusive Access** to the [Ultimate Marketing Mastermind](#) Coaching. This can be broken down into three core phases....

- **TOTAL VALUE: \$20,776**

The investment to hop in is not anywhere that though....

In fact, I'm ready to cut you a deal.

Look, my private tutelage ranges to \$12,000, but I'm willing to take a chance that the people that really 'get' this opportunity will run with it and get some

incredible results....

In fact, I'm willing to go one further by offering a whopping \$58+% discount!

Bringing that down to just \$5k.

But, I know this process is so incredibly powerful in the right hands that I'm willing to go even one step further and offer an even better 40% off that!

Pay a deposit of just **\$1,100**

Then just 2 more monthly '*pay from profit*' monthly installments of \$1,100

Most students will make this back within just a few sales...

Remember you're getting over \$20,776+ of value and a system you can leverage for life to make hundreds of thousands of dollars.

Or if you're wanting to save further, it's just **\$2.7k one time.**

So WHO exactly is the **Ultimate Marketing Mastermind** for?

U.M.M is NOT FOR YOU if you:

- ★ Aren't in a position (financially or emotionally) to invest in yourself right now
- ★ Are resistant to changing your beliefs

U.M.M IS FOR YOU if you:

- ★ Are a coach, course creator or affiliate looking for a systemised approach to client acquisition
- ★ Are stuck grinding month to month with inconsistent (or no) results and want to grow and scale with peace of mind
- ★ Want to be armed with an iron-clad process to acquire more clients than you know what to do with!

Shoutout to [Jamie Gardiner](#) for landing \$9,600 in his business in the last week.

Jamie has been one of my coaches over the past 12 months and has shown me strategies to increase the revenue in my business.

In fact during 2021 The Man, The Myth, The Legend...

👉 understood why I was not getting the results in my own game.

👉 took the time to sit down and work with me and not just go for the sale and

👉 he showed me a side of me that I had never seen and that was a sales machine that has closed, assisted in and recovered more than \$400 million dollars in sales over the past 8 years.

Congratulations Jamie on your week.

Thanks for your continued great posts. I used a lot of what you've taught me and am making \$1,500 bucks a month using Amazon Affiliates. The email list is starting to grow (I'm at about 20 subscribed) and I'm happy to see where the future will take me. Your content is great! I'm hoping to scale larger as time keeps going. I'm starting to really become an expert on low-ticket affiliate marketing. The crumbs are adding up. I've only been at this 45 days now!
