Andrew Wendol

Director of Health, Physical Education and Athletics

11/17/22

Attention 7th & 8th Grade Winter Student-Athlete Families:

The **2022-2023 Winter Modified Interscholastic Athletic Season is upon us!** We are continuing with our [Winter Modified Interscholastic Pilot Program](#) we started last year. We understand that Athletics is a huge part of many people's lives and an integral part of the development of life-long skills such as teamwork, time-management, sportsmanship, and maintaining a healthy life-style. The Hastings Athletic Department goal is to provide a variety of quality participation options to help meet the needs of all the 7th & 8th grade student-athletes.

If you are interested in participating in the 2022-2023 Winter Modified Sports Season, please make sure you are registered on **FamilyID**. [Click here to register for a Modified Winter Sport](#) (link is on the Hastings Athletic Website).

Registration is open until Monday, November 28, 2022. Please make sure to register before the deadline because student-athletes cannot participate until the coach has an approved FamilyID form in their possession.

There is a **Winter Modified Sports Interest & "Meet the Coaches" Meeting on Monday, November 21, 2022 at 3:30pm in the Green Gym**. This meeting is a chance to meet your respective coach, learn about the program, and get more details about the program.

* Due to the Project Share on 11/22, Early Dismissal on 11/23, Thanksgiving Holiday (11/23-11/28), and a District-Wide Faculty Meeting on 11/28, **Official Team practices will begin on Tuesday, November 29th**. Each Coach will post their practice schedule on their Team SportsYou page soon.

Please make sure to join the Team SportsYou Page. This is where the coach will post and communicate all information regarding your team.
